**Summary of purpose and/or changes:**

LB 39 changes references to "Performance Audit Section", found in various sections of the statutes, to "Office of the Legislative Audit" and changes the word "section" to "office". These changes reflect 2009 legislation that established the Legislative Audit Office as a distinct legislative division.

---

**Explanation of amendments:**

The committee amendment, AM 40, further clarifies in a couple of sections that "office" means "office of the Legislative Audit".
