Summary of purpose and/or changes:

LB 746 provides that if a voter has moved from one residence to another within the state, the voter will be entitled to vote provisionally after providing verification of his or her current address.

Currently, voters who move within the county in which they are registered to vote are allowed to vote provisionally. This bill allows someone who moves from one county to a different county in Nebraska to vote provisionally in their new county of residence.

This act becomes operative on January 1, 2015.

Bill Avery, Chairperson
