Summary of purpose and/or changes:

LR 40 would require the Legislature to request that the United States Forest Service reconsider its original decision to pay a proportionate share of the replacement costs of fences between private and public property destroyed by wildfires in Dawes, Sioux and Sheridan Counties, and that the Legislature support a collaborative partnership with the U.S. government on a wide range of public issues. A copy of the resolution is to be sent to the President, the Forest Service and to our congressional delegation.
