LB 807 changes the enforcement of the following situations from a secondary action to a primary action.

1. Enforcement of the curfew, limit on the number of passengers and prohibition on cell phone use by a person holding a provisional operators permit.
2. Enforcement of the prohibition on cell phone use by a person holding a learners permit.
3. Enforcement of the prohibition on cell phone use by a person holding a school permit.
4. Enforcement of the prohibition on texting while driving.
5. Enforcement of the required use of seat belts in vehicles. The use of seat belts is also expanded to include all vehicle occupants, not just those in the front seat.

Fiscal note responses received from the State Patrol and the Department of Motor Vehicles indicate no fiscal impact.

The Department of Roads indicated in an e-mail that there is the potential for Nebraska to receive additional federal highway safety funding if LB 807 passes but they were still waiting for confirmation. At the time this fiscal note was prepared to meet the Legislature's 24 hour rule a fiscal note from the department providing confirmation and dollar estimates had not been received.

It is likely the change in enforcement to a primary action will increase the number of persons charged with and found guilty of the violations referenced above. The actual change in the number of convictions, and therefor fines, is unknown since the future level of compliance is unknown. Any revenue from fines accrues to the county where the violation occurs for use by public schools.
