

ONE HUNDRED THIRD LEGISLATURE

FIRST SESSION

LEGISLATIVE RESOLUTION 290

Introduced by Schilz, 47.

PURPOSE: The purpose of this resolution is to examine the feasibility and utility of designating counties adjacent to the mandatory brand inspection area designated by section 54-1109 as brand inspection service areas. Such designation would provide that while brand inspection would not be mandatory, brand inspection services performed by the Nebraska Brand Committee would be provided to individual requesters within a brand inspection service area at the rates and terms for mandatory brand inspections performed within the brand inspection area. This study shall determine potential utilization of brand inspection within brand inspection service areas and net costs that would be incurred by the Nebraska Brand Committee to provide such service. The study shall make recommendations regarding the inspection fee rate and other charges, and identify any administrative actions that could be taken by the Nebraska Brand Committee that would enable it to provide cost-effective inspection services within brand inspection service areas.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED THIRD LEGISLATURE OF NEBRASKA, FIRST SESSION:

1. That the Agriculture Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.

2. That the committee shall upon the conclusion of its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
