

One Hundred Third Legislature - Second Session - 2014

Introducer's Statement of Intent

LB1115

Chairperson: Senator Tom Carlson

Committee: Natural Resources

Date of Hearing: February 12, 2014

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 1115 would appropriate \$200,000 from the General Fund to the Power Review Board to provide funds for a study of existing and future state, regional and national transmission infrastructure and policy to serve Nebraska electric consumers, utilities and private generation facilities in Nebraska seeking to export electricity out of the state.

The study provided for in LB 1115 would receive input from a working group including five members of the Legislature appointed by the Executive Board and other interested parties.

The Power Review Board would present the results of the study to the Legislature and the Governor on or before December 15, 2014.
