

**One Hundred Third Legislature - Second Session - 2014**

**Introducer's Statement of Intent**

**LB756**

---

**Chairperson: Senator Annette Dubas**

**Committee: Transportation and Telecommunications**

**Date of Hearing: February 25, 2014**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 756 would redefine bicycle to include electric-assist bicycles. In addition to the current definition of bicycle, 60-611 would be amended to include a "device with two or three wheels, fully operative pedals for propulsion by human power, and an electric motor with a capacity not exceeding seven hundred fifty watts which produces no more than one brake horsepower and is capable of propelling the bicycle at a maximum design speed of no more than twenty miles per hour on ground level ground."
