**Summary of purpose and/or changes:**

LB 100 amends 85-1503 and 85-2234. Section 85-1503(24)(b) (which section identifies how state aid to tribally controlled community colleges occurs) is amended by adding a reference to section 85-2234 subdivision (1) and (3), which subdivisions identify how State Aid to Community Colleges operates. Section 85-1503(24) (b) is also amended to strike the reference to the Nebraska Community College Student Performance and Occupational Education Grant Fund. Section 85-2234 (which section provides for the distribution of state aid to community colleges) is also amended to provide a reference to subdivision 24(b) of 85-1503 and subdivision (16) of 85-1511 which sections of statute provides for the distribution of state aid to tribally controlled community colleges. These changes are purely technical in nature and do not create any new obligations or expenditures for the state.
