**Summary of purpose and/or changes:**

LB1014 makes changes to the levy limit statutes which are applicable to the County Airport Authorities. It brings the statutes in line with how other political subdivisions are treated and clarify any ambiguity that exists concerning the same. The legislation would exclude property tax levies for bonds issued by the County Airport Authorities from the applicable levy limits.

---

**Explanation of amendments:**

The Amendment becomes the bill. It clarifies in Section 3-613 that property taxes levied by airport authorities for bonds issued under Section 3-613 are not included in their levy lid.
