Summary of purpose and/or changes:

LB 18, is a bill that would amend 79-217 to require students entering the 7th grade and for students entering the academic year after the student turned 16, to be immunized for meningitis, using a vaccine recommended by the U.S. Centers for Disease Control and Prevention and meet the standards that are approved by the United States Public Health Services for this type of biological product.

Kate Sullivan, Chairperson
