This bill would suspend medical assistance provided to persons who become inmates of public institutions.

The Department of Health and Human Services estimates the following impact from this bill:

			Partial-Year	Full-Year

FEDERAL FUNDS			89,002	47,523
OTHER FUNDS				
TOTAL FUNDS			178,004	95,045

The Department of Correctional Services (DCS) estimates a one-time cost of \$18,000 to change their case management system. The Supreme Court notes that the provision of the bill eliminating the period of Medicaid ineligibility could decrease expenditures, but this amount cannot be estimated at this time. Additionally, the provision for information sharing could increase expenditures, but no fiscal impact is estimated at this time.

The Crime Commission estimates no fiscal impact from this bill.

Lancaster County states that they would need to hire a Correctional Records Technician for \$24,723. This position would spend about half of her/his time notifying the Department of Health and Human Services regarding inmate intake and release.

Douglas County estimates it will need a Records Technician II at \$58,700 for salary and benefits.

Please see the attached responses for details that were summarized above.

LB 12 would suspend Medicaid for individuals incarcerated in NDCS facilities for a period of up to one year. If released during that year, the benefits would be reinstated. Otherwise, enrollment is terminated, and must be reapplied for during re-entry preparation. As currently written, the bill requires NDCS to notify DHHS at time of intake when a current recipient is incarcerated and to notify the Attorney General, prosecuting attorney and county attorney in the county they are incarcerated 45 days prior to their release.

A new field will need to be programmed into the case management system to indicate Medicaid participation and automate the notice process at an estimated cost of \$18,000.

Explanation of Estimate:

LB 12 would provide for suspension of Medicaid for inmates of public institutions. Currently, Federal Financial Participation is not available to inmates of public institutions. The Department of Health and Human Services does provide Medicaid coverage for eligible inmates who become "inpatient" when they are admitted to a hospital for 24 hours or more (CFR 435.1010). Coverage is termed for only the time period the inmate is in the medical institution.

This bill would require system changes to Medicaid at a cost of \$98,800 total (\$49,400 GF, \$49,400 FF) in SFY16. Additional Medicaid staffing needs to monitor and review cases would require 1 additional Social Services Worker and 1 Payments Reviewer, both beginning 9/1/2015 at a cost of \$79,204 total (\$39,602 GF, \$39,602 FF) in SFY16 and \$95,045 total (\$47,522 GF, \$47,523 FF) in SFY17.
