- 2 amend sections 81-15,158.01 and 81-15,160, Reissue Revised Statutes
- 3 of Nebraska; to require a study to examine the status of solid waste
- 4 management programs; to create an advisory committee; to require
- 5 reports; to provide for costs; to eliminate obsolete provisions; to
- 6 harmonize provisions; and to repeal the original sections.
- 7 Be it enacted by the people of the State of Nebraska,

1 Section 1. Section 81-15,158.01, Reissue Revised Statutes of
2 Nebraska, is amended to read:

3 81-15,158.01 Sections 81-15,158.01 to 81-15,165 and section 2 of
4 this act shall be known and may be cited as the Waste Reduction and
5 Recycling Incentive Act.

6 Sec. 2. (1) The Department of Environmental Quality shall conduct a
7 study to examine the status of solid waste management programs operated
8 by the department and make recommendations to modernize and revise such
9 programs. The study shall include, but not be limited to: (1) Whether
10 existing state programs regarding litter and waste reduction and
11 recycling should be amended or merged; (2) a needs assessment of the
12 recycling and composting programs in the state, including the need for
13 infrastructure development operating standards, market development,
14 coordinated public education resulting in behavior change, and incentives
15 to increase recycling and composting; (3) methods to partner with
16 political subdivisions, private industry, and private, nonprofit
17 organizations to most successfully address waste management issues in the
18 state; (4) recommendations regarding existing funding sources and
19 possible new revenue sources at the state and local level to address
20 existing and emerging solid waste management issues; and (5) revisions to
21 existing grant programs to address solid waste management issues in a
22 proactive manner.

23 (2) The Director of Environmental Quality shall establish an
24 advisory committee to advise the department regarding the study described
25 in this section. The members of the advisory committee shall be appointed
26 by the director and shall include no more than nine members. The director
27 shall designate a chairperson of the advisory committee. The members
28 shall receive no compensation for their services.

29 (3) In addition to the advisory committee, the department may hire
30 consultants and special experts to assist in the study described in this
31 section. After completion of the study, the department shall submit a

1 report, including recommendations, to the Executive Board of the
2 Legislative Council and the chairpersons of the Natural Resources
3 Committee, the Urban Affairs Committee, and the Appropriations Committee
