3 violation and shall allow operation by the defendant of only an ignition-  
4 interlock-equipped motor vehicle.

5 (c) Such Board of Pardons order shall remain in effect for a period

29 ignition interlock permit and installation of an ignition interlock  
30 device.

31 (b) If the Department of Motor Vehicles has determined the person to

1 be indigent and incapable of paying for the cost of installation,  
2 removal, or maintenance of the ignition interlock device in accordance  
3 with this section, such costs shall be paid out of the Department of  
4 Motor Vehicles Ignition Interlock Fund if such funds are available,  
5 according to rules and regulations adopted and promulgated by the  
6 department. Such costs shall also be paid out of the Department of Motor  
7 Vehicles Ignition Interlock Fund if such funds are available and if the

4 do so, when the facility becomes aware of such evidence. Failure of the  
5 facility to provide notification as provided in this subdivision is a  
6 Class V misdemeanor.

7 (b) If a district probation office receives evidence of tampering  
8 with or circumvention of an ignition interlock device, or any attempts to  
9 do so, from an ignition interlock service facility, the district  
10 probation office shall notify the appropriate court of such violation.  
11 The court shall immediately schedule an evidentiary hearing to be held  
12 within fourteen days after receiving such evidence, either from the  
13 district probation office or an ignition interlock service facility, and  
14 the court shall cause notice of the hearing to be given to the person  
15 operating a motor vehicle pursuant to an order under subsection (1) of  
16 this section. If the person who is the subject of such evidence does not  
17 appear at the hearing and show cause why the order made pursuant to  
18 subsection (1) of this section should remain in effect, the court shall  
19 rescind the original order. Nothing in this subsection shall apply to an  
20 order made by the Board of Pardons pursuant to section 83-1,127.02.

21 (10) Notwithstanding any other provision of law, the issuance of an  
22 ignition interlock permit by the Department of Motor Vehicles under  
23 section 60-498.01 or an order for the installation of an ignition  
24 interlock device and ignition interlock permit made pursuant to  
25 subsection (1) of this section as part of a conviction, as well as the  
26 administration of such court order by the Office of Probation  
27 Administration for the installation, maintenance, and removal of such

1 month, notify the State Treasurer of the amount of motor fuel tax that  
2 was not collected in the preceding calendar month due to the credits

18 be funded through the Ethanol Production Incentive Cash Fund but shall  
19 not be funded through either the Highway Cash Fund or the Highway Trust  
20 Fund. For 1998 and each year thereafter, the credits provided in such  
21 section shall be funded through the Ethanol Production Incentive Cash

27 shall suspend the transfer of credits by ethanol producers until such  
28 time as additional funds are available in the Ethanol Production

13 corn and grain sorghum. The Department of Agriculture shall assist the  
14 State Treasurer in determining the amounts to be transferred to the  
15 funds. The State Treasurer shall transfer the remaining one-half of the  
16 unexpended and unobligated funds to the General Fund.

17 (5) Whenever the unobligated balance in the Ethanol Production  
18 Incentive Cash Fund exceeds twenty million dollars, the Department of  
19 Revenue shall notify the Department of Agriculture at which time the  
20 Department of Agriculture shall suspend collection of the excise tax  
21 levied pursuant to section 66-1345.01. If, after suspension of the

2 production credits pursuant to section 66-1344.01 and any additional  
3 ethanol production which the Department of Revenue and the Nebraska  
4 Ethanol Board reasonably anticipate may qualify for credits pursuant to  
5 section 66-1344.

1 amount not to exceed one million dollars from the General Fund to the  
2 Nebraska Cultural Preservation Endowment Fund on December 31, 2013, (b)  
3 an amount not to exceed five hundred thousand dollars from the General  
4 Fund to the Nebraska Cultural Preservation Endowment Fund on December 31,  
5 2014, (c) an amount not to exceed seven hundred fifty thousand dollars  
6 from the General Fund to the Nebraska Cultural Preservation Endowment  
7 Fund on December 31 of 2015 and 2016, and (d) an amount not to exceed  
8 five hundred thousand dollars from the General Fund to the Nebraska  
9 Cultural Preservation Endowment Fund annually on December 31 beginning in  
10 2019 ~~2017~~ and continuing through December 31, 2028 ~~2026~~.

11 (4) Prior to the transfer of funds from any state account into the  
12 Nebraska Cultural Preservation Endowment Fund, the Nebraska Arts Council  
13 shall provide documentation to the budget division of the Department of  
14 Administrative Services that qualified endowments have generated a  
15 dollar-for-dollar match of new money, up to the amount of state funds  
16 authorized by the Legislature to be transferred to the Nebraska Cultural  
17 Preservation Endowment Fund. For purposes of this section, new money  
18 means a contribution to a qualified endowment generated after July 1,  
19 2011. Contributions not fully matched by state funds shall be carried  
20 forward to succeeding years and remain available to provide a dollar-for-  
21 dollar match for state funds. For an endowment to be a qualified  
22 endowment (a) the endowment must meet the standards set by the Nebraska  
23 Arts Council or Nebraska Humanities Council, (b) the endowment must be  
24 intended for long-term stabilization of the organization, and (c) the  
25 funds of the endowment must be endowed and only the earnings thereon  
26 expended. The budget division of the Department of Administrative  
27 Services shall notify the State Treasurer to execute a transfer of state  
28 funds up to the amount specified by the Legislature, but only to the  
29 extent that the Nebraska Arts Council has provided documentation of a  
30 dollar-for-dollar match. State funds not transferred shall be carried  
31 forward to the succeeding year and be added to the funds authorized for a

1 dollar-for-dollar match during that year.

2 (5) The Legislature shall not appropriate or transfer money from the  
3 Nebraska Cultural Preservation Endowment Fund for any purpose other than  
4 the purposes stated in sections 82-330 to 82-333, except that the  
5 Legislature may appropriate or transfer money from the fund upon a  
6 finding that the purposes of such sections are not being accomplished by  
7 the fund.

8 (6) Any money in the Nebraska Cultural Preservation Endowment Fund  
9 available for investment shall be invested by the state investment  
10 officer pursuant to the Nebraska Capital Expansion Act and the Nebraska  
11 State Funds Investment Act.

12 (7) All investment earnings from the Nebraska Cultural Preservation  
13 Endowment Fund shall be credited to the Nebraska Arts and Humanities Cash  
14 Fund.

15 Sec. 52. Section 85-1414.01, Revised Statutes Cumulative Supplement,  
16 2016, is amended to read:

17 85-1414.01 (1) The Legislature finds that:

18 (a) The availability and accessibility of quality, affordable oral  
19 health care for all residents of the State of Nebraska is a matter of  
20 public concern and represents a compelling need affecting the general  
21 welfare of all residents;

22 (b) The development and sustainability of a skilled workforce in the  
23 practice of dentistry is a public health priority for the State of  
24 Nebraska; and

25 (c) According to research sponsored by the Office of Oral Health and  
26 Dentistry of the Department of Health and Human Services, the Nebraska  
27 Rural Health Advisory Commission, and the Health Professions Tracking  
28 Service of the College of Public Health of the University of Nebraska  
29 Medical Center:

30 (i) A majority of the ninety-three counties of the State of Nebraska  
31 are general dentistry shortage areas as designated by the Nebraska Rural

1 Health Advisory Commission and more than twenty percent of the ninety-  
2 three counties have no dentist;

3 (ii) Eighty-two counties are shortage areas in pediatric dentistry  
4 as designated by the Nebraska Rural Health Advisory Commission;

5 (iii) The uneven distribution of dentists in the State of Nebraska  
6 is a public health concern and twenty-four percent of the dentists in  
7 Nebraska are estimated to be planning to retire by 2017;

8 (iv) Sixty percent of the children in the State of Nebraska  
9 experience dental disease by the time they are in the third grade; and

10 (v) It is estimated that more than twenty-five thousand children  
11 attending public schools in Omaha, Nebraska, do not have a means of  
12 continuing dental care.

13 (2) It is the intent of the Legislature to provide for the  
14 development of a skilled and diverse workforce in the practice of  
15 dentistry and oral health care in order to provide for the oral health of  
16 all residents of Nebraska, to assist in dispersing the workforce to  
17 address the disparities of the at-risk populations in the state, and to  
18 focus efforts in areas and demographic groups in which access to a  
19 skilled workforce in the practice of dentistry and oral health care is  
20 most needed. In order to accomplish these goals, the Legislature  
21 recognizes that it is necessary to contract with professional dental  
22 education institutions committed to addressing the critical oral health  
23 care needs of the residents of Nebraska.

24 (3) The Oral Health Training and Services Fund is created. The  
25 Coordinating Commission for Postsecondary Education shall administer the  
26 fund to contract for reduced-fee and charitable oral health services,  
27 oral health workforce development, and oral health services using  
28 telehealth as defined in section 71-8503 for the residents of Nebraska.  
29 Any money in the fund available for investment shall be invested by the  
30 state investment officer pursuant to the Nebraska Capital Expansion Act  
31 and the Nebraska State Funds Investment Act.

1           (4) To be eligible to enter into a contract under this section, an  
2 applicant shall be a corporation exempt for federal tax purposes under  
3 section 501(c)(3) of the Internal Revenue Code and shall submit a plan to  
4 the commission as prescribed in subsection (5) of this section to provide  
5 oral health training, including assistance for the graduation of dental  
6 students at a Nebraska dental college, to provide discounted or  
7 charitable oral health services focusing on lower-income and at-risk  
8 populations within the state, and to target the unmet oral health care  
9 needs of residents of Nebraska. In addition, the applicant shall submit  
10 at least five letters of intent with school districts or federally  
11 qualified health centers as defined in section 1905(l)(2)(B) of the  
12 federal Social Security Act, 42 U.S.C. 1396d(l)(2)(B), as such act and  
13 section existed on January 1, 2010, in at least five different counties  
14 throughout the state to provide discounted or charitable oral health  
15 services for a minimum of ten years. An application to enter into a  
16 contract under this section shall be made no later than January 1, 2017.

17           (5) The plan shall include (a) a proposal to provide oral health  
18 training at a reduced fee to students in dental education programs who  
19 agree to practice dentistry for at least five years after graduation in a  
20 dental health profession shortage area designated by the Nebraska Rural  
21 Health Advisory Commission pursuant to section 71-5665, (b) a proposal to  
22 provide discounted or charitable oral health services for a minimum of  
23 ten years to residents of Nebraska, and (c) a proposal to provide oral  
24 health services to residents of Nebraska using telehealth as defined in  
25 section 71-8503.

26           (6) Any party entering into a contract under this section shall  
27 agree that any funds disbursed pursuant to the contract shall only be  
28 used for services and equipment related to the proposals in the plan and  
29 shall not be used for any other program operated by the contracting  
30 party. If any of the funds disbursed pursuant to the contract are used  
31 for equipment, such funds shall only be used for patient-centered oral

1 health care equipment, including, but not limited to, dental chairs for  
2 patients, lighting for examination and procedure rooms, and other  
3 equipment used for oral health services for patients and for training  
4 students in dental education programs, and shall not be used for travel,  
5 construction, or any other purpose not directly related to the proposals  
6 in the plan.

7 (7) The contract shall require matching funds from other sources in  
8 a four-to-one ratio with the funds to be disbursed under the contract.  
9 The party entering into the contract shall specify the source and amount  
10 of all matching funds. No applicant shall receive an award amount under a  
11 contract under this section of more than eight million dollars. If more  
12 than one applicant meets the requirements of this section to enter into a  
13 contract and provides evidence that private or other funds have been  
14 received by the applicant as matching funds for such a contract in an  
15 amount greater than or equal to sixteen million dollars, each of such  
16 applicants shall receive an award amount under a contract equal to eight  
17 million dollars divided by the number of such applicants. If one of such  
18 applicants qualifies for a contract award amount of less than four  
19 million dollars, any other such applicant may receive a contract award  
20 amount up to eight million dollars minus the amount awarded to the  
21 applicant qualifying for less than four million dollars. The contract  
22 amount shall be awarded first to the applicant qualifying for the lowest  
23 contract award amount. The contract shall require full and detailed  
24 reporting of the expenditure of funds disbursed pursuant to the contract.  
25 Any party entering into a contract under this section shall report  
26 electronically to the Legislature within one hundred twenty days after  
27 the expenditure of the funds disbursed pursuant to the contract detailing  
28 the nature of the expenditures made as a result of the contract. In  
29 addition, any party entering into a contract under this section shall  
30 report electronically to the Legislature on an annual basis the  
31 charitable oral health services provided in school districts and

1 federally qualified health centers and the number of recipients and the  
2 placements of students receiving oral health training at a reduced fee in  
3 dental education programs.

4 (8) The State Treasurer shall transfer the June 30, 2017,  
5 unobligated balance in the Oral Health Training and Services Fund to the  
6 Cash Reserve Fund on such date as directed by the budget administrator of  
7 the budget division of the Department of Administrative Services.

8 Sec. 53. Section 86-324, Reissue Revised Statutes of Nebraska, is  
9 amended to read:

10 86-324 (1) The Nebraska Telecommunications Universal Service Fund is  
11 hereby created. The fund shall provide the assistance necessary to make  
12 universal access to telecommunications services available to all persons  
13 in the state consistent with the policies set forth in the Nebraska  
14 Telecommunications Universal Service Fund Act. Only eligible  
15 telecommunications companies designated by the commission shall be  
16 eligible to receive support to serve high-cost areas from the fund. A  
17 telecommunications company that receives such support shall use that  
18 support only for the provision, maintenance, and upgrading of facilities  
19 and services for which the support is intended. Any such support should  
20 be explicit and sufficient to achieve the purpose of the act.

21 (2) Notwithstanding the provisions of section 86-124, in addition to  
22 other provisions of the act, and to the extent not prohibited by federal  
23 law, the commission:

24 (a) Shall have authority and power to subject eligible  
25 telecommunications companies to service quality, customer service, and  
26 billing regulations. Such regulations shall apply only to the extent of  
27 any telecommunications services or offerings made by an eligible  
28 telecommunications company which are eligible for support by the fund.  
29 The commission shall be reimbursed from the fund for all costs related to  
30 drafting, implementing, and enforcing the regulations and any other  
31 services provided on behalf of customers pursuant to this subdivision;

1 (b) Shall have authority and power to issue orders carrying out its  
2 responsibilities and to review the compliance of any eligible  
3 telecommunications company receiving support for continued compliance  
4 with any such orders or regulations adopted pursuant to the act;

5 (c) May withhold all or a portion of the funds to be distributed  
6 from any telecommunications company failing to continue compliance with  
7 the commission's orders or regulations;

8 (d) Shall require every telecommunications company to contribute to  
9 any universal service mechanism established by the commission pursuant to  
10 state law. The commission shall require, as reasonably necessary, an  
11 annual audit of any telecommunications company to be performed by a  
12 third-party certified public accountant to insure the billing,  
13 collection, and remittance of a surcharge for universal service. The  
14 costs of any audit required pursuant to this subdivision shall be paid by  
15 the telecommunications company being audited;

16 (e) Shall require an audit of information provided by a  
17 telecommunications company to be performed by a third-party certified  
18 public accountant for purposes of calculating universal service fund  
19 payments to such telecommunications company. The costs of any audit  
20 required pursuant to this subdivision shall be paid by the  
21 telecommunications company being audited; and

22 (f) May administratively fine pursuant to section 75-156 any person  
23 who violates the Nebraska Telecommunications Universal Service Fund Act.

24 (3) Any money in the fund available for investment shall be invested  
25 by the state investment officer pursuant to the Nebraska Capital  
26 Expansion Act and the Nebraska State Funds Investment Act.

27 (4) Beginning July 1, 2017, until June 30, 2019, any interest earned  
28 by the fund shall be transferred to the General Fund on a quarterly  
29 basis.

30 ~~(4)(a) The State Treasurer shall transfer funds from the Nebraska~~  
31 ~~Telecommunications Universal Service Fund to the General Fund upon~~

1 ~~certification by the Director of Administrative Services that the current~~  
2 ~~cash balances in the General Fund and the Cash Reserve Fund are~~  
3 ~~inadequate to meet current obligations. Such certification shall include~~  
4 ~~the dollar amount to be transferred which shall not exceed the amount by~~  
5 ~~which the General Fund and Cash Reserve Fund are inadequate to meet~~  
6 ~~current obligations. The total of such transfers shall not reduce the~~  
7 ~~Nebraska Telecommunications Universal Service Fund balance below an~~  
8 ~~amount sufficient to meet the obligations on the fund for the next sixty~~  
9 ~~days. Any transfers made pursuant to this subsection shall be reversed~~  
10 ~~upon notification by the Director of Administrative Services that~~  
11 ~~sufficient funds are available or on June 30, 2007, whichever occurs~~

13 ~~(b) Any transfer under this subsection not reversed within thirty~~  
14 ~~days after the initial transfer shall accrue interest in the amount of~~  
15 ~~five percent annually. Interest shall be calculated beginning on the~~  
16 ~~thirty-first day after the initial transfer and continue until the~~  
17 ~~transfer is completely reversed. The interest calculated shall be~~  
18 ~~credited to the Nebraska Telecommunications Universal Service Fund.~~

19 ~~(c) Any transfer of funds which has not been reversed as provided in~~  
20 ~~this subsection, with accrued interest, shall be considered an~~
