LB 294 allows the Department of Motor Vehicles (DMV) to enter into a reciprocity agreement with a foreign country to provide for the mutual recognition and reciprocal exchange of a valid operator’s license issued by this state or the foreign country if the department determines that the licensing standards of the foreign country are comparable to the state’s standards. The agreement cannot pertain to commercial motor vehicle licenses.

The bill should not have a fiscal impact on license fee revenues because DMV indicates that individuals receiving a license pursuant to a reciprocal agreement will have to pay the appropriate fee to obtain an operator’s license.
