LB80 relates to counties with a population of 150,000 to 300,000. LB80 amends the County Civil Service Act by putting law clerks and students employed by the county attorney or public defender in the unclassified service. Positions in the unclassified service are not governed by the County Civil Service Act.

LB80 would have the potential to reduce costs if law clerks and students are paid less than what is required under the County Civil Service Act.
