

LEGISLATURE OF NEBRASKA
ONE HUNDRED FIFTH LEGISLATURE
SECOND SESSION

LEGISLATIVE BILL 1111

Introduced by Stinner, 48.

Read first time January 18, 2018

Committee: Government, Military and Veterans Affairs

- 1 A BILL FOR AN ACT relating to political subdivisions; to amend section
- 2 84-304, Revised Statutes Supplement, 2017; to adopt the Fiscal
- 3 Stress Management Act; to provide powers and duties for the Auditor
- 4 of Public Accounts; to harmonize provisions; and to repeal the
- 5 original section.
- 6 Be it enacted by the people of the State of Nebraska,

1 Section 1. Sections 1 to 8 of this act shall be known and may be
2 cited as the Fiscal Stress Management Act.

3 Sec. 2. For purposes of the Fiscal Stress Management Act, the
4 following definitions apply:

5 (1) Auditor means the Auditor of Public Accounts;

6 (2) Financial indicator means a financial figure or calculation
7 including, but not limited to, receipts, disbursements, cash balances,
8 liabilities, and long-term debt showing a trend in financial activity;

9 (3) Fiscal distress means a situation whereby the provision and
10 sustainability of public services of a taxing authority is threatened by
11 various financial shortcomings including, but not limited to, cash flow
12 inadequacy, inability to pay expenses, revenue shortfalls, deficit
13 spending, structurally imbalanced budgets, billing and revenue collection
14 inadequacies and discrepancies, or debt overload;

15 (4) Fiscal watch means the monitoring, assessment, reporting, and
16 declaration of being under the status of fiscal watch by the auditor
17 based upon financial indicators of a taxing authority for the purposes of
18 detecting and evaluating its state of fiscal distress; and

19 (5) Taxing authority means the governing body of any village, city,
20 or county.

21 Sec. 3. (1) Pursuant to the authority of the Legislature to provide
22 for the public health, safety, and welfare for citizens of this state and
23 to require reports and examinations of the financial condition,
24 transactions, operations, and undertakings of taxing authorities, the
25 public policy and a public purpose of this state is to encourage fiscal
26 integrity of taxing authorities so that they may provide for the health,
27 safety, and welfare of their local citizens, meet their financial
28 obligations, and provide for the responsible stewardship of taxpayer
29 dollars. The failure of a taxing authority to so act adversely affects
30 the health, safety, and welfare not only of the people of a village,
31 city, or county but also of other people of the state beyond the village,

1 city, or county.

2 (2) The intent of the Legislature in enacting the Fiscal Stress
3 Management Act is to encourage the fiscal integrity of villages, cities,
4 or counties.

5 Sec. 4. The auditor shall review annually or biennially, as the
6 case may be, the financial indicators of taxing authorities to determine
7 if the conditions for a fiscal watch have been met.

8 Sec. 5. (1) The auditor shall evaluate the review process to ensure
9 that the existence of any of the financial indicators accurately reflect
10 a state of fiscal stress, whether it is the opinion of the auditor that
11 taxing authorities at risk of fiscal stress are being adequately
12 identified by any of the financial indicators, and whether there are
13 taxing authorities identified as being under a state of fiscal stress by
14 the existence of any of the financial indicators when the auditor can
15 reasonably determine that they are not under a state of fiscal stress.

16 (2) Before December 31, 2018, and before December 31, 2019, the
17 auditor shall submit to the Legislature a report on the evaluation of the
18 review process set forth under the Fiscal Stress Management Act. The
19 submission of the report shall be made electronically.

20 Sec. 6. Beginning in fiscal year 2020-21, after review of the
21 financial indicators of taxing authorities, the auditor shall declare a
22 taxing authority as being under the status of a fiscal watch by the
23 occurrence of one or more of the following financial indicators:

24 (1) The fiscal year-end unencumbered cash balances of the village,
25 city, or county have decreased over the past three years;

26 (2) The outstanding bonded indebtedness at fiscal year-end has
27 reached a ratio equal to or more than twenty percent of revenue;

28 (3) If a comprehensive annual financial report has been completed
29 and all liabilities as reported on the comprehensive annual financial
30 report at fiscal year-end have reached a ratio equal to or more than
31 twenty percent of revenue;

1 (4) The village, city, or county is at the maximum levy rate over
2 the past three years; or

3 (5) The unused restricted funds authority, as described in section
4 13-521, of the village, city, or county has decreased over the past three
5 years.

6 Sec. 7. (1) When declaring the existence of a fiscal watch to a
7 taxing authority, the auditor shall issue the declaration in writing
8 electronically or by first-class mail. The fiscal watch shall be in
9 effect until the auditor determines that none of the conditions are
10 present, cancels the watch, and notifies the taxing authority of such
11 cancellation in writing electronically or by first-class mail.

12 (2) The auditor shall submit to the Legislature by the first
13 legislative day of each biennium a report of his or her findings on the
14 financial indicators of taxing authorities and the status of all such
15 taxing authorities which are under a fiscal watch. The report shall be
16 made available to the public on the auditor's web site.

17 Sec. 8. (1) The auditor shall develop guidelines for identifying
18 fiscal practices and budgetary conditions of taxing authorities that, if
19 uncorrected, could result in a future declaration of a fiscal watch and
20 make such guidelines available to taxing authorities. The auditor shall
21 also make available to a taxing authority the results of the review of
22 its financial indicators.

23 (2) The auditor may add to the budget form of any taxing authority
24 any unpaid obligations or liabilities to be included in the requirements
25 already sustained under current budgeting practices.

26 Sec. 9. Section 84-304, Revised Statutes Supplement, 2017, is
27 amended to read:
