3 77-2716 (1) The following adjustments to federal adjusted gross
4 income or, for corporations and fiduciaries, federal taxable income shall
5 be made for interest or dividends received:

6 (a)(i) There shall be subtracted interest or dividends received by
7 the owner of obligations of the United States and its territories and
8 possessions or of any authority, commission, or instrumentality of the
9 United States to the extent includable in gross income for federal income
10 tax purposes but exempt from state income taxes under the laws of the
11 United States; and

12 (ii) There shall be subtracted interest received by the owner of

16 (b) There shall be subtracted that portion of the total dividends
17 and other income received from a regulated investment company which is
18 attributable to obligations described in subdivision (a) of this
19 subsection as reported to the recipient by the regulated investment
20 company;

21 (c) There shall be added interest or dividends received by the owner
22 of obligations of the District of Columbia, other states of the United
23 States, or their political subdivisions, authorities, commissions, or
24 instrumentalities to the extent excluded in the computation of gross
25 income for federal income tax purposes except that such interest or
26 dividends shall not be added if received by a corporation which is a
27 regulated investment company;

28 (d) There shall be added that portion of the total dividends and
29 other income received from a regulated investment company which is
30 attributable to obligations described in subdivision (c) of this
31 subsection and excluded for federal income tax purposes as reported to

1 the recipient by the regulated investment company; and

2 (e)(i) Any amount subtracted under this subsection shall be reduced
3 by any interest on indebtedness incurred to carry the obligations or
4 securities described in this subsection or the investment in the
5 regulated investment company and by any expenses incurred in the
6 production of interest or dividend income described in this subsection to
7 the extent that such expenses, including amortizable bond premiums, are
8 deductible in determining federal taxable income.

9 (ii) Any amount added under this subsection shall be reduced by any
10 expenses incurred in the production of such income to the extent
11 disallowed in the computation of federal taxable income.

12 (2) There shall be allowed a net operating loss derived from or
13 connected with Nebraska sources computed under rules and regulations
14 adopted and promulgated by the Tax Commissioner consistent, to the extent
15 possible under the Nebraska Revenue Act of 1967, with the laws of the
16 United States. For a resident individual, estate, or trust, the net
17 operating loss computed on the federal income tax return shall be
18 adjusted by the modifications contained in this section. For a
19 nonresident individual, estate, or trust or for a partial-year resident
20 individual, the net operating loss computed on the federal return shall
21 be adjusted by the modifications contained in this section and any
22 carryovers or carrybacks shall be limited to the portion of the loss
23 derived from or connected with Nebraska sources.

24 (3) There shall be subtracted from federal adjusted gross income for
25 all taxable years beginning on or after January 1, 1987, the amount of
26 any state income tax refund to the extent such refund was deducted under
27 the Internal Revenue Code, was not allowed in the computation of the tax
28 due under the Nebraska Revenue Act of 1967, and is included in federal
29 adjusted gross income.

30 (4) Federal adjusted gross income, or, for a fiduciary, federal
31 taxable income shall be modified to exclude the portion of the income or

1 loss received from a small business corporation with an election in
2 effect under subchapter S of the Internal Revenue Code or from a limited
3 liability company organized pursuant to the Nebraska Uniform Limited
4 Liability Company Act that is not derived from or connected with Nebraska
5 sources as determined in section 77-2734.01.

6 (5) There shall be subtracted from federal adjusted gross income or,
7 for corporations and fiduciaries, federal taxable income dividends
8 received or deemed to be received from corporations which are not subject
9 to the Internal Revenue Code.

11 of the income earned by a corporation subject to the Internal Revenue
12 Code of 1986 that is actually taxed by a foreign country or one of its
13 political subdivisions at a rate in excess of the maximum federal tax
14 rate for corporations. The taxpayer may make the computation for each
15 foreign country or for groups of foreign countries. The portion of the
16 taxes that may be deducted shall be computed in the following manner:

17 (a) The amount of federal taxable income from operations within a
18 foreign taxing jurisdiction shall be reduced by the amount of taxes
19 actually paid to the foreign jurisdiction that are not deductible solely
20 because the foreign tax credit was elected on the federal income tax
21 return;

22 (b) The amount of after-tax income shall be divided by one minus the
23 maximum tax rate for corporations in the Internal Revenue Code; and

24 (c) The result of the calculation in subdivision (b) of this
25 subsection shall be subtracted from the amount of federal taxable income
26 used in subdivision (a) of this subsection. The result of such
27 calculation, if greater than zero, shall be subtracted from federal
28 taxable income.

29 (7) Federal adjusted gross income shall be modified to exclude any
30 amount repaid by the taxpayer for which a reduction in federal tax is
31 allowed under section 1341(a)(5) of the Internal Revenue Code.

1 (8)(a) Federal adjusted gross income or, for corporations and
2 fiduciaries, federal taxable income shall be reduced, to the extent

4 received from the Nebraska educational savings plan trust created in
5 sections 85-1801 to 85-1814 and any account established under the
6 achieving a better life experience program as provided in sections

12 experience program made for the benefit of a beneficiary as provided in
13 sections 77-1401 to 77-1409, to the extent not deducted for federal
14 income tax purposes, but not to exceed five thousand dollars per married
15 filing separate return or ten thousand dollars for any other return. With
16 respect to a qualified rollover within the meaning of section 529 of the
17 Internal Revenue Code from another state's plan, any interest, earnings,
18 and state contributions received from the other state's educational
19 savings plan which is qualified under section 529 of the code shall
20 qualify for the reduction provided in this subdivision. For contributions
21 by a custodian of a custodial account including rollovers from another
22 custodial account, the reduction shall only apply to funds added to the
23 custodial account after January 1, 2014.

24 (c) Federal adjusted gross income or, for corporations and
25 fiduciaries, federal taxable income shall be increased by:

26 (i) The amount resulting from the cancellation of a participation
27 agreement refunded to the taxpayer as a participant in the Nebraska

2 extent previously deducted under subdivision (8)(b) of this section.

3 (9)(a) For income tax returns filed after September 10, 2001, for
4 taxable years beginning or deemed to begin before January 1, 2006, under
5 the Internal Revenue Code of 1986, as amended, federal adjusted gross
6 income or, for corporations and fiduciaries, federal taxable income shall
7 be increased by eighty-five percent of any amount of any federal bonus
8 depreciation received under the federal Job Creation and Worker

24 (d) The amount of bonus depreciation added to federal adjusted gross
25 income or, for corporations and fiduciaries, federal taxable income by

19 under the Internal Revenue Code of 1986, as amended, and twenty percent
20 in each of the next four following tax years.
