3 of deeds of the county where the portion of the state highway system is
4 being relinquished. No fee shall be charged for such recording. After
5 such recording, the fragment, section, route, or portion relinquished
6 will be the responsibility of such political or governmental subdivision
7 or public corporation, subject to any mutually agreed terms or

9 governmental subdivision or public corporation may, upon a showing of a
10 change in financial or other circumstances or for economic development
11 purposes, petition the department to renegotiate the agreed terms or
