

One Hundred Fifth Legislature - Second Session - 2018

Introducer's Statement of Intent

LB1025

Chairperson: Senator Justin Wayne

Committee: Urban Affairs

Date of Hearing: February 13, 2018

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 1025 would create the Building Codes Advisory Committee, which would make recommendations to the Legislature on whether to update the state building code when a new edition of current building codes is published.

LB 1025 would also make the state building code a "default" code, so that the state building code would be applicable in any county, city, or village that does not adopt a local building or construction code.
