Committee: Transportation and Telecommunications

Date of Hearing: February 13, 2018

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB1063 provide funding to assist victims of traumatic brain injury by utilizing a one-time fee increase on learner's permits, provisional operator's permits, and driver's license for both cars and motorcycles. This is a one-time fee for each new license but renewals would not be subjected to the fees. The revenue generated from the fees would go into a cash fund used to increase the community-based support for victims of traumatic brain injury across the state of Nebraska.
