

One Hundred Fifth Legislature - First Session - 2017

Introducer's Statement of Intent

LB238

Chairperson: Senator Jim Smith

Committee: Revenue

Date of Hearing: February 23, 2017

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

On or before August 20 of each year, county assessors must certify the taxable value of real and personal property subject to the tax levy to each taxing entity. Although Nebraska State Statute 13-509 does not specify that certification must be done by mail, many assessors print and mail this information to the taxing entities. LB238 would specifically authorize certification to be made by mail, electronically, or notifying the appropriate governing body of the location of the certification information on the county's website.
