

One Hundred Fifth Legislature - Second Session - 2018

Introducer's Statement of Intent

LB749

Chairperson: Senator John Murante

Committee: Government, Military and Veterans Affairs

Date of Hearing: January 24, 2018

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB749 is a clean-up bill so that the statutes concerning filing fees for nonprofit corporations better reflect what is done in practice by the Secretary of State's office. It would eliminate from statute the requirement that nonprofit corporations pay an additional per page filing fee of \$5 when filing their nonprofit biennial report. Under LB749, nonprofit corporations will now only be required to pay a \$20 flat filing fee for these reports.

LB749 would also add clarifying language that fraternal societies are to pay the same filing fees as nonprofit corporations.
