

One Hundred Fifth Legislature - Second Session - 2018

Introducer's Statement of Intent

LB912

Chairperson: Senator Mike Groene

Committee: Education

Date of Hearing: January 23, 2018

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 912 would provide for the creation and display of an informational poster to allow ready access in public schools to the state of Nebraska's toll-free child abuse and neglect hotline telephone number.

Using an existing national model, the Nebraska Council of School Administrators would create a Nebraska version of the poster, using one or more languages, and make the posters available to public school administrators throughout the state.

The language in LB 912 is permissive. It would not create a fiscal impact for schools or the state.
