**Introducer's Statement of Intent**

**LR285CA**

---

**Chairperson: Senator Mike Groene**

**Committee: Education**

**Date of Hearing: February 20, 2018**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LR285CA is a proposed amendment to the state constitution which would allow teachers greater autonomy in the classroom by removing the Nebraska Board of Education and placing the Commissioner of Education under the direction of the Governor of the State of Nebraska.

The Nebraska State Board of Education has failed Nebraska students. LR285CA would remove this stumbling block to responsive education.
