Summary of purpose and/or changes:

LB 831 amends Sections 60-142.01 and 60-144 in the Motor Vehicle Certificate of Title Act. The bill would allow the director of the Department of Motor Vehicles to issue a salvage title for a vehicle manufactured prior to 1940 if the previous title was a junk title, and it was shown to the director that no major component part had been replaced, the vehicle had been inspected, and the vehicle had been restored to its original specifications.

The issuance of a title pursuant to this provision could only be done by the DMV director, and not by any county treasurer.
