9 lien on the motor vehicle executed prior to such immobilization when

28 authorize the use of the motor vehicle by any person known by the affiant
29 to have been convicted of a second or subsequent violation of section
30 60-6,196 or 60-6,197, that affiant will immediately report to a local law
31 enforcement agency any unauthorized use of the motor vehicle by any

1 person known by the affiant to have been convicted of a second or

3 to release the motor vehicle would cause undue hardship to the affiant.

4 (B) A registered owner who executes an affidavit pursuant to
5 subdivision (1)(a)(ii)(A) of this section which is acted upon by the
6 court and who fails to immediately report an unauthorized use of the

21 subdivision and shall retain the ignition interlock permit and ignition
22 interlock device for not less than a one-year period or the period of
23 revocation ordered by the court, whichever is longer. No ignition
24 interlock permit may be issued until sufficient evidence is presented to
25 the department that an ignition interlock device is installed on each
26 vehicle and that the applicant is eligible for use of an ignition
27 interlock device. If the person has an ignition interlock device
28 installed as required under this subdivision, the person shall not be
29 eligible for reinstatement of his or her operator's license until he or
30 she has had the ignition interlock device installed for the period
31 ordered by the court.

1 (2) In addition to the restrictions required by subdivision (1)(b)
2 of this section, the court may require a person convicted of a second or
3 subsequent violation of section 60-6,196 or 60-6,197 to use a continuous
4 alcohol monitoring device and abstain from alcohol use for a period of
5 time not to exceed the maximum term of license revocation ordered by the
