such licenses or shall be void;

(3) To call upon other administrative departments of the state, county and municipal governments, county sheriffs, city police departments, village marshals, peace officers, and prosecuting officers for such information and assistance as the commission deems necessary in the performance of its duties. The commission shall enter into an agreement with the Nebraska State Patrol in which the Nebraska State Patrol shall hire six new patrol officers and, from the entire Nebraska State Patrol, shall designate a minimum of six patrol officers who will spend a majority of their time in administration and enforcement of the Nebraska Liquor Control Act;

(4) To recommend to local governing bodies rules and regulations not inconsistent with law for the distribution and sale of alcoholic liquor throughout the state;

(6) To hear and determine appeals from orders of a local governing body in accordance with the act;

(7) To conduct or cause to be conducted an audit to inspect any licensee's records and books;

(4) There shall be five classes of nonbeverage users' licenses:
Class 1, Class 2, Class 3, Class 4, and Class 5.

(b) All applicable license fees shall be paid by the applicant or licensee directly to the city or village treasurer in the case of
premises located inside the corporate limits of a city or village and
directly to the county treasurer in the case of premises located outside
the corporate limits of a city or village.

section 53-123.15: Manufacturers, vintage wines, manufacture direct
sales, and retail direct sales.

and beer only. The annual fee shall be paid for the first and each
additional wholesale place of business operated in this state by the same
licensee and wholesaling the same product.

fees shall be paid by the applicant or licensee directly to the city or

village.

(10) The license year, unless otherwise provided in the Nebraska
Liquor Control Act, shall commence on May 1 of each year and shall end on

Sec. 8. Section 53-125, Revised Statutes Cumulative Supplement, 2018, is amended to read:

53-125 No license of any kind shall be issued to (1) a person who is not a resident of Nebraska, except in case of railroad, airline, or boat, or charter bus service licenses, (2) a person who is not of good character and reputation in the community in which he or she resides, (3) a person who is not a Nebraska resident and legally able to work in Nebraska, (4) a person who has been convicted of or has pleaded guilty to a felony under the laws of this state, any other state, or the United States, (5) a person who has been convicted of or has pleaded guilty to any Class I misdemeanor pursuant to Chapter 28, article 3, 4, 7, 8, 10, 11, or 12, or any similar offense under a prior criminal statute or in
another state, except that any additional requirements imposed by this 
subdivision on May 18, 1983, shall not prevent any person holding a 
license on such date from retaining or renewing such license if the 
conviction or plea occurred prior to May 18, 1983, (6) a person whose 
license issued under the Nebraska Liquor Control Act has been revoked for 
cause, (7) a person who at the time of application for renewal of any 
license issued under the act would not be eligible for such license upon 
initial application, (8) a partnership, unless one of the partners is a 
resident of Nebraska and unless all the members of such partnership are 
otherwise qualified to obtain a license, (9) a limited liability company, 
if any officer or director of the limited liability company or any member 
having an ownership interest in the aggregate of more than twenty-five 
percent of such company would be ineligible to receive a license under 
this section for any reason other than the reasons stated in subdivisions 
(1) and (3) of this section, or if a manager of a limited liability 
company licensee would be ineligible to receive a license under this 
section for any reason, (10) a corporation, if any officer or director of 
the corporation or any stockholder owning in the aggregate more than 
twenty-five percent of the stock of such corporation would be ineligible 
to receive a license under this section for any reason other than the 
reasons stated in subdivisions (1) and (3) of this section, or if a 
manager of a corporate licensee would be ineligible to receive a license 
under this section for any reason. This subdivision shall not apply to 
railroad licenses, (11) a person whose place of business is conducted by 
a manager or agent unless such manager or agent possesses the same 
qualifications required of the licensee, (12) a person who does not own 
the premises for which a license is sought or does not have a lease or 
combination of leases on such premises for the full period for which the 
license is to be issued, (13) except as provided in this subdivision, an 
applicant whose spouse is ineligible under this section to receive and 
hold a liquor license. Such applicant shall become eligible for a liquor
license only if the commission finds from the evidence that the public interest will not be infringed upon if such license is granted. It shall be prima facie evidence that when a spouse is ineligible to receive a liquor license the applicant is also ineligible to receive a liquor license. Such prima facie evidence shall be overcome if it is shown to the satisfaction of the commission (a) that the licensed business will be the sole property of the applicant and (b) that such licensed premises will be properly operated, (14) a person seeking a license for premises which do not meet standards for fire safety as established by the State Fire Marshal, (15) a law enforcement officer, except that this subdivision shall not prohibit a law enforcement officer from holding membership in any nonprofit organization holding a liquor license or from participating in any manner in the management or administration of a nonprofit organization, or (16) a person less than twenty-one years of age.

When a trustee is the licensee, the beneficiary or beneficiaries of the trust shall comply with the requirements of this section, but nothing in this section shall prohibit any such beneficiary from being a minor or a person who is mentally incompetent.

Sec. 9. Section 53-130, Revised Statutes Cumulative Supplement, 2018, is amended to read:

53-130 (1) New licenses to manufacturers, wholesalers, railroads, airlines, boats, charter bus services, pedal-pub vehicles, and nonbeverage users of alcoholic liquor may be issued by the commission upon (a) written application in duplicate filed in the manner and on such forms as the commission prescribes and in which the applicant for a beer wholesale license sets forth the sales territory in Nebraska in which it is authorized by a manufacturer or manufacturers to sell their brand or brands and the name of such brand or brands, (b) receipt of bond, (c) payment in advance of the nonrefundable application fee of forty-five dollars and the license fee, and (d) such notice and hearing as the
commission fixes by its own order.

(2) A notice of such application shall be served upon the manufacturer or manufacturers listed in any application for a beer wholesale license and upon any existing wholesaler licensed to sell the brand or brands in the described sales territory.

(3) A license so issued may be renewed without formal application upon payment of license fees and a renewal fee of forty-five dollars prior to or within thirty days after the expiration of the license. The payment of such fees shall be an affirmative representation and certification by the licensee that all answers contained in an application, if submitted, would be the same in all material respects as the answers contained in the last previous application. The commission may at any time require a licensee to submit an application.
