60-393 Any owner who has two or more motor vehicles or trailers required to be registered under the Motor Vehicle Registration Act may register all such motor vehicles or trailers on a calendar-year basis or on an annual basis for the same registration period beginning in a month chosen by the owner. (e) Upon a trade-in or surrender of a motor vehicle under a lease;
(f) In case of a change in the situs of a motor vehicle or trailer to a location outside of this state.

(2) If the date of the event falls within the same calendar month in which the motor vehicle or trailer is acquired, no refund shall be allowed for such month.

(3) If the transferor or lessee acquires another motor vehicle at the time of the transfer, trade-in, or surrender, the transferor or lessee shall have the credit provided for in this section applied toward
payment of the motor vehicle fees and taxes then owing. Otherwise, the
transferor or lessee shall file a claim for refund with the county
treasurer upon an application form prescribed by the department.

(4) The registered owner or lessee shall make a claim for refund or
credit of the fees and taxes for the unexpired months in the registration

(8) The county treasurer shall refund the motor vehicle fee and
registration fee from the fees which have not been transferred to the
State Treasurer. The county treasurer shall make payment to the claimant

shall be paid.

Sec. 4. Section 60-396, Revised Statutes Supplement, 2019, is
amended to read:

60-396 Whenever the registered owner files an application with the
county treasurer showing that a motor vehicle, trailer, or semitrailer is
disabled and has been removed from service, the registered owner may, by
returning the registration certificate, the license plates, and, when
appropriate, the validation decals or, in the case of the unavailability
of such registration certificate or certificates, license plates, or
validation decals, then by making an affidavit to the county treasurer of
such disablement and removal from service, receive a credit for a portion
of the registration fee from the fee deposited with the State Treasurer
at the time of registration based upon the number of unexpired months
remaining in the registration year except as otherwise provided in
sections 60-3,121, 60-3,122.02, 60-3,122.04, 60-3,128, 60-3,224,

and section 8 of this act. The owner shall also receive a credit for the
unused portion of the motor vehicle tax and fee based upon the number of
unexpired months remaining in the registration year. When the owner
registers a replacement motor vehicle, trailer, or semitrailer at the
time of filing such affidavit, the credit may be immediately applied
against the registration fee and the motor vehicle tax and fee for the
replacement motor vehicle, trailer, or semitrailer. When no such
replacement motor vehicle, trailer, or semitrailer is so registered, the
county treasurer shall forward the application and affidavit, if any, to
the State Treasurer who shall determine the amount, if any, of the
allowable credit for the registration fee and issue a credit certificate
to the owner. For the motor vehicle tax and fee, the county treasurer
shall determine the amount, if any, of the allowable credit and issue a
credit certificate to the owner. When such motor vehicle, trailer, or
semitrailer is removed from service within the same month in which it was
registered, no credits shall be allowed for such month. The credits may
be applied against taxes and fees for new or replacement motor vehicles,
trailers, or semitrailers incurred within one year after cancellation of
registration of the motor vehicle, trailer, or semitrailer for which the
credits were allowed. When any such motor vehicle, trailer, or semitrailer is reregistered within the same registration year in which its registration has been canceled, the taxes and fees shall be that portion of the registration fee and the motor vehicle tax and fee for the remainder of the registration year.

The department shall inspect the plate or plates and may approve the plate or plates if it is determined that the model-year license plate or plates are legible and serviceable and that the license plate numbers do not conflict with or duplicate other numbers assigned and in use. An original-issued license plate or plates that have been restored to original condition may be used when approved by the department.

(2) The department may consult with a recognized car club in determining whether the year of the license plate or plates to be used corresponds to the model year when the vehicle was manufactured.

Sec. 7. (1) The department shall design license plates to be known as Support the Arts Plates. The design shall be selected in consultation with the Nebraska Arts Council and shall support the arts in Nebraska. The design shall be selected on the basis of limiting the manufacturing cost of each plate to an amount less than or equal to the amount charged for license plates pursuant to section 60-3,102. The department shall make applications available for this type of plate beginning January 1, 2021. The department may adopt and promulgate rules and regulations to carry out this section and section 8 of this act.

(2) One type of Support the Arts Plates shall be alphanumeric plates. The department shall:

(a) Assign a designation up to five characters; and

(b) Not use a county designation.

(3) One type of Support the Arts Plates shall be personalized message plates. Such plates shall be issued subject to the same conditions specified for personalized message license plates in section 60-3,118, except that a maximum of five characters may be used.

Sec. 8. (1) Beginning January 1, 2021, a person may apply to the department for Support the Arts Plates in lieu of regular license plates on an application prescribed and provided by the department for any motor vehicle, trailer, or semitrailer, except for a motor vehicle, trailer, or semitrailer registered under section 60-3,198. An applicant receiving a Support the Arts Plate for a farm truck with a gross weight of over sixteen tons or for a commercial motor vehicle registered for a gross weight of five tons or over shall affix the appropriate tonnage decal to
the plate. The department shall make forms available for such
applications through the county treasurers. The license plates shall be
issued upon payment of the license fee described in subsection (2) of
this section.

(2)(a) In addition to all other fees required for registration under
the Motor Vehicle Registration Act, each application for initial issuance
or renewal of alphanumeric Support the Arts Plates shall be accompanied
by a fee of five dollars. County treasurers collecting fees pursuant to
this subdivision shall remit such fees to the State Treasurer. The State
Treasurer shall credit five dollars of the fee to the Support the Arts
Cash Fund created under section 9 of this act.

(b) In addition to all other fees required for registration under
the Motor Vehicle Registration Act, each application for initial issuance
or renewal of personalized message Support the Arts Plates shall be
accompanied by a fee of forty dollars. County treasurers collecting fees
pursuant to this subdivision shall remit such fees to the State
Treasurer. The State Treasurer shall credit twenty-five percent of the
fee for initial issuance and renewal of such plates to the Department of
Motor Vehicles Cash Fund and seventy-five percent of the fee to the
Support the Arts Cash Fund.

(3) When the department receives an application for Support the Arts
Plates, the department may deliver the plates and registration
certificate to the applicant by United States mail or to the county
treasurer of the county in which the motor vehicle, trailer, or
semitrailer is registered and the delivery of the plates and registration
certificate shall be made through a secure process and system. The county
treasurer or the department shall issue Support the Arts Plates in lieu
of regular license plates when the applicant complies with the other
provisions of the Motor Vehicle Registration Act for registration of the
motor vehicle, trailer, or semitrailer. If Support the Arts Plates are
lost, stolen, or mutilated, the licensee shall be issued replacement
license plates upon request pursuant to section 60-3,157.

(4) The county treasurer or the department may issue temporary license stickers to the applicant under this section for the applicant to lawfully operate the vehicle pending receipt of the license plates. No charge in addition to the registration fee shall be made for the issuance of a temporary license sticker under this subsection. The department shall furnish temporary license stickers for issuance by the county treasurer at no cost to the counties. The department may adopt and promulgate rules and regulations regarding the design and issuance of temporary license stickers.

(5) The owner of a motor vehicle, trailer, or semitrailer bearing Support the Arts Plates may apply to the county treasurer to have such plates transferred to a motor vehicle or trailer other than the motor vehicle or trailer for which such plates were originally purchased if such motor vehicle or trailer is owned by the owner of the plates. The owner may have the unused portion of the fee for the plates credited to the other motor vehicle or trailer which will bear the plates at the rate of eight and one-third percent per month for each full month left in the registration period. Application for such transfer shall be accompanied by a fee of three dollars. Fees collected pursuant to this subsection shall be remitted to the State Treasurer for credit to the Department of Motor Vehicles Cash Fund.

(6) If the cost of manufacturing Support the Arts Plates at any time exceeds the amount charged for license plates pursuant to section 60-3,102, any money to be credited to the Support the Arts Cash Fund shall instead be credited first to the Highway Trust Fund in an amount equal to the difference between the manufacturing costs of Support the Arts Plates and the amount charged pursuant to section 60-3,102 with respect to such plates and the remainder shall be credited to the Support the Arts Cash Fund.

Sec. 9. (1) The Support the Arts Cash Fund is created. The fund
shall consist of all funds credited from the Support the Arts Plates pursuant to section 8 of this act. The Nebraska Arts Council shall administer and distribute the Support the Arts Cash Fund. The fund shall be expended by the Nebraska Arts Council to provide aid to communities that designate a focus area of the city for arts and cultural development, and to defray costs directly related to the administration of the fund.

(2) Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.
