

One Hundred Sixth Legislature - Second Session - 2020

Introducer's Statement of Intent

LB1132

Chairperson: Senator Dan Hughes

Committee: Natural Resources

Date of Hearing: February 19, 2020

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 1132 is intended to stimulate economic growth and maintain low energy costs for businesses and other consumers throughout the state and to support the rights of consumers to utilize energy generation systems and diversify energy generation in Nebraska. The bill seeks to promote greater allowances for net metering, to limit the cost to consumers statewide for choosing other methods of generation, and to establish procedures to provide for regulation and review of generation projects sought by consumers statewide.
