

Legislature - First Session - 2019

Introducer's Statement of Intent

LB461

Chairperson: Senator Curt Friesen

Committee: Transportation and Telecommunications

Date of Hearing: February 26, 2019

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 461 repeals the requirement that common and contract motor carriers obtain certificates of public convenience and necessity before they can lawfully operate in Nebraska. It will provide a framework that will continue to protect the public interest, but at the same time improve consumer choice and increase the affordability of goods and services.
