

Legislature - First Session - 2019

Introducer's Statement of Intent

LB672

Chairperson: Senator Matt Williams

Committee: Banking, Commerce and Insurance

Date of Hearing: February 19, 2019

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Legislative Bill 672 amends Section 60-387 by adding two new subsections to address a lack of pertinent information regarding two types of insurance policies, Named Driver and Named Driver Exclusion insurance policies.

Currently, Named Driver insurance policies cannot be used to register a motor vehicle in Nebraska because they do not cover the vehicle, but cover the individual. LB 672 would require notice upon issuance of such a policy that the policy is not valid for motor vehicle registration purposes and also require the covered individual be named on any evidence of insurance. This would provide government officials and law enforcement the necessary information regarding such policy to more easily determine compliance with our proof of financial responsibility laws for motor vehicles.

LB 672 would also require Named Driver Exclusion insurance policies to name all excluded individuals excluded from coverage of a motor vehicle to be listed on the evidence of insurance. This will allow law enforcement to more accurately determine whether the operator of a motor vehicle is in compliance with our laws.
