**Summary of purpose and/or changes:**

A REVISED VERSION OF LB1145 WAS AMENDED INTO LB750. REFER TO THE LB750 COMMITTEE STATEMENT FOR FURTHER INFORMATION.

Amends section 60-699; motor vehicle accident reports.

Current law provides that the accident report filed by the operator or owner of a motor vehicle shall not be available for public inspection. Any other accident report filed shall not disclose to the public date of birth or the operator's license number included on any report.

LB 1145 amends the section to provide that for any accident report filed the year of birth of the vehicle operator shall not be confidential and shall be considered a public record.
