**Summary of purpose and/or changes:**

Property taxes for municipalities, school districts, education service units, county agricultural societies, and rural and suburban fire protection districts are all collected by the county treasurer of each county. The bill would add townships to the list of political subdivisions in Section 23-1601(4)(a)(i) who are entitled to receive a monthly payment no later than the 15th day of the month from the county treasurer of all funds collected or received for that local body.
