Any Fiscal Notes received from state agencies and political subdivisions are attached following the Legislative Fiscal Analyst Estimate.

LB 556 would allow for municipalities to include additional requirements for redevelopment plans and redevelopment projects as the municipalities deem necessary to comply with the city’s comprehensive development plans, affordable housing action plans, city zoning ordinances, and other planning goals within the city.

Implementation would be contingent upon the discretion of municipalities. Any cost would be borne by municipalities and developers and would likely be minimal. No fiscal impact to the General Fund.
