26 Sec. 10. Section 60-3,198, Revised Statutes Cumulative Supplement,
27 2020, is amended to read:

28 60-3,198 (1)(a) ~~(1)~~ Any owner engaged in operating a fleet of
29 apportionable vehicles in this state in interjurisdiction commerce may,
30 in lieu of registration of such apportionable vehicles under the general
31 provisions of the Motor Vehicle Registration Act, register and license

1 such fleet for operation in this state by filing a statement and the
2 application required by section 60-3,203 with the Division of Motor
3 Carrier Services of the department. The statement shall be in such form
4 and contain such information as the division requires, declaring the
5 total mileage operated by such vehicles in all jurisdictions and in this
6 state during the preceding year and describing and identifying each such
7 apportionable vehicle to be operated in this state during the ensuing
8 license year.

9 (b)(i) Until July 1, 2021, upon ~~upon~~ receipt of such statement and
10 application, the division shall determine the total fee payment, which
11 shall be equal to the amount of fees due pursuant to section 60-3,203 and
12 the amount obtained by applying the formula provided in section 60-3,204
13 to a fee of thirty-two dollars per ton based upon gross vehicle weight of
14 the empty weights of a truck or truck-tractor and the empty weights of
15 any trailer or combination thereof with which it is to be operated in
16 combination at any one time plus the weight of the maximum load to be
17 carried thereon at any one time, and shall notify the applicant of the
18 amount of payment required to be made. Mileage operated in noncontracting
19 reciprocity jurisdictions by apportionable vehicles based in Nebraska
20 shall be applied to the portion of the formula for determining the
21 Nebraska injurisdiction fleet distance.

22 (ii) Beginning July 1, 2021, and until July 1, 2025, upon receipt of
23 such statement and application, the division shall determine the total
24 fee payment, which shall be equal to the amount of fees due pursuant to
25 section 60-3,203 and the amount obtained by applying the formula provided
26 in section 60-3,204 to a fee of thirty-five dollars per ton based upon
27 gross vehicle weight of the empty weights of a truck or truck-tractor and
28 the empty weights of any trailer or combination thereof with which it is
29 to be operated in combination at any one time plus the weight of the
30 maximum load to be carried thereon at any one time, and shall notify the
31 applicant of the amount of payment required to be made. Mileage operated

1 in noncontracting reciprocity jurisdictions by apportionable vehicles
2 based in Nebraska shall be applied to the portion of the formula for
3 determining the Nebraska injurisdiction fleet distance.

4 (iii) Beginning July 1, 2025, upon receipt of such statement and
5 application, the division shall determine the total fee payment, which
6 shall be equal to the amount of fees due pursuant to section 60-3,203 and
7 the amount obtained by applying the formula provided in section 60-3,204
8 to a fee of thirty-three dollars and fifty cents per ton based upon gross
9 vehicle weight of the empty weights of a truck or truck-tractor and the
10 empty weights of any trailer or combination thereof with which it is to
11 be operated in combination at any one time plus the weight of the maximum
12 load to be carried thereon at any one time, and shall notify the
13 applicant of the amount of payment required to be made. Mileage operated
14 in noncontracting reciprocity jurisdictions by apportionable vehicles
15 based in Nebraska shall be applied to the portion of the formula for
16 determining the Nebraska injurisdiction fleet distance.

17 (c) Temporary authority which permits the operation of a fleet or an
18 addition to a fleet in this state while the application is being
19 processed may be issued upon application to the division if necessary to
20 complete processing of the application.

21 (d) Upon completion of such processing and receipt of the
22 appropriate fees, the division shall issue to the applicant a sufficient
23 number of distinctive registration certificates which provide a list of
24 the jurisdictions in which the apportionable vehicle has been
25 apportioned, the weight for which registered, and such other evidence of
26 registration for display on the apportionable vehicle as the division
27 determines appropriate for each of the apportionable vehicles of his or
28 her fleet, identifying it as a part of an interjurisdiction fleet
29 proportionately registered. Such registration certificates may be
30 displayed as a legible paper copy or electronically as authorized by the
31 department. All fees received as provided in this section shall be

1 remitted to the State Treasurer for credit to the Motor Carrier Services
2 Division Distributive Fund.

3 (e) The apportionable vehicles so registered shall be exempt from
4 all further registration and license fees under the Motor Vehicle
5 Registration Act for movement or operation in the State of Nebraska
6 except as provided in section 60-3,203. The proportional registration and
7 licensing provision of this section shall apply to apportionable vehicles
8 added to such fleets and operated in this state during the license year
9 except with regard to permanent license plates issued under section
10 60-3,203.

11 (f) The right of applicants to proportional registration under this
12 section shall be subject to the terms and conditions of any reciprocity
13 agreement, contract, or consent made by the division.

14 (g) When a nonresident fleet owner has registered his or her
15 apportionable vehicles, his or her apportionable vehicles shall be
16 considered as fully registered for both interjurisdiction and
17 intrajurisdiction commerce when the jurisdiction of base registration for
18 such fleet accords the same consideration for fleets with a base
19 registration in Nebraska. Each apportionable vehicle of a fleet
20 registered by a resident of Nebraska shall be considered as fully
21 registered for both interjurisdiction and intrajurisdiction commerce.

22 (2) Mileage proportions for interjurisdiction fleets not operated in
23 this state during the preceding year shall be determined by the division
24 upon the application of the applicant on forms to be supplied by the
25 division which shall show the operations of the preceding year in other
26 jurisdictions and estimated operations in Nebraska or, if no operations
27 were conducted the previous year, a full statement of the proposed method
28 of operation.

29 (3) Any owner complying with and being granted proportional
30 registration shall preserve the records on which the application is made
31 for a period of three years following the current registration year. Upon

1 request of the division, the owner shall make such records available to
2 the division at its office for audit as to accuracy of computation and
3 payments or pay the costs of an audit at the home office of the owner by
4 a duly appointed representative of the division if the office where the
5 records are maintained is not within the State of Nebraska. The division
6 may enter into agreements with agencies of other jurisdictions
7 administering motor vehicle registration laws for joint audits of any
8 such owner. All payments received to cover the costs of an audit shall be
9 remitted by the division to the State Treasurer for credit to the Motor
10 Carrier Division Cash Fund. No deficiency shall be assessed and no claim
11 for credit shall be allowed for any license registration year for which
12 records on which the application was made are no longer required to be
13 maintained.

14 (4) If the division claims that a greater amount of fee is due under
15 this section than was paid, the division shall notify the owner of the
16 additional amount claimed to be due. The owner may accept such claim and
17 pay the amount due, or he or she may dispute the claim and submit to the
18 division any information which he or she may have in support of his or
19 her position. If the dispute cannot otherwise be resolved within the
20 division, the owner may petition for an appeal of the matter. The
21 director shall appoint a hearing officer who shall hear the dispute and
22 issue a written decision. Any appeal shall be in accordance with the
23 Administrative Procedure Act. Upon expiration of the time for perfecting
24 an appeal if no appeal is taken or upon final judicial determination if
25 an appeal is taken, the division shall deny the owner the right to
26 further registration for a fleet license until the amount finally
27 determined to be due, together with any costs assessed against the owner,
28 has been paid.

29 (5) Every applicant who licenses any apportionable vehicles under
30 this section and section 60-3,203 shall have his or her registration
31 certificates issued only after all fees under such sections are paid and,

1 if applicable, proof has been furnished of payment, in the form
2 prescribed by the director as directed by the United States Secretary of
3 the Treasury, of the federal heavy vehicle use tax imposed by 26 U.S.C.
4 4481 of the Internal Revenue Code as defined in section 49-801.01.

5 (6)(a) In the event of the transfer of ownership of any registered
6 apportionable vehicle, (b) in the case of loss of possession because of
7 fire, natural disaster, theft, or wrecking, junking, or dismantling of
8 any registered apportionable vehicle, (c) when a salvage branded
9 certificate of title is issued for any registered apportionable vehicle,
10 (d) whenever a type or class of registered apportioned vehicle is
11 subsequently declared by legislative act or court decision to be illegal
12 or ineligible to be operated or towed on the public roads and no longer
13 subject to registration fees and taxes, (e) upon trade-in or surrender of
14 a registered apportionable vehicle under a lease, or (f) in case of a
15 change in the situs of a registered apportionable vehicle to a location
16 outside of this state, its registration shall expire, except that if the
17 registered owner or lessee applies to the division after such transfer or
18 loss of possession and accompanies the application with a fee of one
19 dollar and fifty cents, he or she may have any remaining credit of
20 vehicle fees and taxes from the previously registered apportionable
21 vehicle applied toward payment of any vehicle fees and taxes due and
22 owing on another registered apportionable vehicle. If such registered
23 apportionable vehicle has a greater gross vehicle weight than that of the
24 previously registered apportionable vehicle, the registered owner or
25 lessee of the registered apportionable vehicle shall additionally pay
26 only the registration fee for the increased gross vehicle weight for the
27 remaining months of the registration year based on the factors determined
28 by the division in the original fleet application.

29 (7) Whenever a Nebraska-based fleet owner files an application with
30 the division to delete a registered apportionable vehicle from a fleet of
31 registered apportionable vehicles (a) because of a transfer of ownership

1 of the registered apportionable vehicle, (b) because of loss of
2 possession due to fire, natural disaster, theft, or wrecking, junking, or
3 dismantling of the registered apportionable vehicle, (c) because a
4 salvage branded certificate of title is issued for the registered
5 apportionable vehicle, (d) because a type or class of registered
6 apportioned vehicle is subsequently declared by legislative act or court
7 decision to be illegal or ineligible to be operated or towed on the
8 public roads and no longer subject to registration fees and taxes, (e)
9 because of a trade-in or surrender of the registered apportionable
10 vehicle under a lease, or (f) because of a change in the situs of the
11 registered apportionable vehicle to a location outside of this state, the
12 registered owner may, by returning the registration certificate or
13 certificates and such other evidence of registration used by the division
14 or, if such certificate or certificates or such other evidence of
15 registration is unavailable, then by making an affidavit to the division
16 of such transfer or loss, receive a refund of that portion of the unused
17 registration fee based upon the number of unexpired months remaining in
18 the registration year from the date of transfer or loss. No refund shall
19 be allowed for any fees paid under section 60-3,203. When such
20 apportionable vehicle is transferred or lost within the same month as
21 acquired, no refund shall be allowed for such month. Such refund may be
22 in the form of a credit against any registration fees that have been
23 incurred or are, at the time of the refund, being incurred by the
24 registered apportionable vehicle owner. The Nebraska-based fleet owner
25 shall make a claim for a refund under this subsection within the
26 registration period or shall be deemed to have forfeited his or her right
27 to the refund.

28 (8) In case of addition to the registered fleet during the
29 registration year, the owner engaged in operating the fleet shall pay the
30 proportionate registration fee from the date the vehicle was placed into
31 service or, if the vehicle was previously registered, the date the prior

1 registration expired or the date Nebraska became the base jurisdiction
2 for the fleet, whichever is first, for the remaining balance of the
3 registration year. The fee for any permanent license plate issued for
4 such addition pursuant to section 60-3,203 shall be the full fee required
5 by such section, regardless of the number of months remaining in the
6 license year.

7 (9) In lieu of registration under subsections (1) through (8) of
8 this section, the title holder of record may apply to the division for
9 special registration, to be known as an unladen-weight registration, for
10 any commercial motor vehicle or combination of vehicles which have been
11 registered to a Nebraska-based fleet owner within the current or previous
12 registration year. Such registration shall be valid only for a period of
13 thirty days and shall give no authority to operate the vehicle except
14 when empty. The fee for such registration shall be twenty dollars for
15 each vehicle, which fee shall be remitted to the State Treasurer for
16 credit to the Highway Trust Fund. The issuance of such permits shall be
17 governed by section 60-3,179.

18 (10) Any person may, in lieu of registration under subsections (1)
19 through (8) of this section or for other jurisdictions as approved by the
20 director, purchase a trip permit for any nonresident truck, truck-
21 tractor, bus, or truck or truck-tractor combination. A trip permit shall
22 be issued before any person required to obtain a trip permit enters this
23 state with such vehicle. The trip permit shall be issued by the director
24 through Internet sales from the department's web site. The trip permit
25 shall be valid for a period of seventy-two hours. The fee for the trip
26 permit shall be twenty-five dollars for each truck, truck-tractor, bus,
27 or truck or truck-tractor combination. The fee collected by the director
28 shall be remitted to the State Treasurer for credit to the Highway Cash
29 Fund.

3 Treasurer, the county treasurer shall distribute such funds to taxing
4 agencies within the county in the same proportion that the levy of each

8 dissolved, or in any way absorbed into another taxing district, any
9 apportionment of motor vehicle tax funds to which such taxing district
10 would have been entitled shall be apportioned to the successor taxing
11 district which has assumed the functions of the annexed, merged,
12 dissolved, or absorbed taxing district.

13 (5) On or before March 1 of each year, the department shall furnish
14 to the State Treasurer a tabulation showing the total number of original
