27 of the service annuity, as determined pursuant to section 79-966.01, of  
28 the employees who are members of the retirement system established  
29 pursuant to the Class V School Employees Retirement Act. Beginning July  
30 1, 2013, such actuarial accrued liability shall be determined for each  
31 employee on a level percentage of salary basis. On or before July 1 of

1 each fiscal year, the state shall transfer ~~deposit~~ into the Service  
2 Annuity Fund such amounts as may be necessary to pay the normal cost and  
3 amortize the unfunded actuarial accrued liability of the service annuity,  
4 as determined pursuant to section 79-966.01, as of the end of the  
5 previous fiscal year of the employees who are members of the retirement  
6 system established pursuant to the Class V School Employees Retirement  
7 Act. Based on the fiscal year of the retirement system established  
8 pursuant to the Class V School Employees Retirement Act, the  
9 administrator of such system shall provide all membership information  
10 needed for the actuary engaged by the retirement board to determine the  
11 normal cost and the amortization payment of the unfunded actuarial

26 employee for the years of service thus certified as provided for members  
27 of the School Employees Retirement System of the State of Nebraska under

2 (c) The Service Annuity Fund is created. The fund shall consist of  
3 the amounts paid by the state and transferred from the School Retirement  
4 Fund to the Class V school district for transfer to the retirement system

15 Class V school district for transfer to the district's retirement system  
16 an amount determined by multiplying the compensation of all members of  
17 such retirement system by the percent specified in subsection (2) of  
18 section 79-966 for determining the amount of the state's payment to the  
19 School Retirement Fund plus the amount determined under subdivision (1)

22 Sec. 5. Section 79-966, Revised Statutes Cumulative Supplement,

3 state for that purpose to the School Retirement Fund the amount of such  
4 state deposit.

5 (b) Beginning July 1, 2016, the contingent state transfer deposit  
6 described in this subsection shall be calculated as a percent of  
7 compensation of all members of the retirement system. For any year in  
8 which a deposit is made to the School Retirement Fund under this  
9 subsection, if the actuary for a retirement system provided for under the  
10 Class V School Employees Retirement Act determines that the actuarially

12 that begins before the state deposit, exceeds the rate of all  
13 contributions required pursuant to the Class V School Employees  
14 Retirement Act, using the thirty-year amortization period specified in  
15 section 79-966.01, the Class V district school board may request a public

20 compensation of all members of such retirement system by the lesser of  
21 the percent of compensation transferred deposited into the School  
22 Retirement Fund under this subsection or the percent of compensation of  
23 the members of the retirement system provided for under the Class V  
24 School Employees Retirement Act needed to meet the actuarially required  
25 contribution rate for such system, using the thirty-year amortization  
26 period specified in section 79-966.01. Any additional amount of transfer  
27 so calculated, recommended by the Appropriations Committee of the  
28 Legislature, and approved by the Legislature, shall be added to the two  
29 percent specified in subsection (2) of this section for the amount

10 each fiscal year thereafter for employees who become members prior to  
11 July 1, 2016, the state shall transfer into ~~deposit in~~ the Service  
12 Annuity Fund such amounts as may be necessary to pay the normal cost and  
13 amortize the unfunded actuarial accrued liability of the service annuity  
14 benefit established pursuant to sections 79-933 and 79-952 as accrued  
15 through the end of the previous fiscal year of the school employees who  
16 are members of the retirement system established pursuant to the Class V

6           Sec. 24. Section 79-990, Revised Statutes Cumulative Supplement,  
7 2020, is amended to read:

8           79-990 (1) Any member who is eligible for reemployment on or after  
9 December 12, 1994, pursuant to 38 U.S.C. 4301 et seq., as adopted under  
10 section 55-161, or who is eligible for reemployment under section 55-160  
11 may pay to the retirement system after the date of his or her return from  
12 active military service, and within the period required by law, not to  
13 exceed five years, an amount equal to the sum of all deductions which  
14 would have been made from the salary which he or she would have received  
15 during the period of military service for which creditable service is  
16 desired. If such payment is made, the member shall be entitled to credit  
17 for membership service in determining his or her annuity for the period  
18 for which contributions have been made and the board of education shall  
19 be responsible for any funding necessary to provide for the benefit which  
20 is attributable to this increase in the member's creditable service. The  
21 member's payments shall be paid as the board of ~~trustees~~ may direct until  
22 September 1, 2024, and as the retirement board may direct beginning  
23 September 1, 2024, through direct payments to the retirement system or on  
24 an installment basis pursuant to a binding irrevocable payroll deduction  
25 authorization between the member and the school district. Creditable  
26 service may be purchased only in one-tenth-year increments, starting with  
27 the most recent years' salary.

28           (2) Under such rules and regulations as the board of ~~trustees~~ may  
29 direct until September 1, 2024, and as the retirement board may direct  
30 beginning September 1, 2024 ~~prescribe~~, any member who was away from his  
31 or her position while on a leave of absence from such position authorized

1 by the board of education of the school district by which he or she was  
2 employed at the time of such leave of absence or pursuant to any  
3 contractual agreement entered into by such school district may receive  
4 credit for any or all time he or she was on leave of absence. Such time  
5 shall be included in creditable service when determining eligibility for  
6 death, disability, termination, and retirement benefits. The member who  
7 receives the credit shall earn benefits during the leave based on salary  
8 at the level received immediately prior to the leave of absence. Such  
9 credit shall be received if such member pays into the retirement system  
10 (a) an amount equal to the sum of the deductions from his or her salary  
11 for the portion of the leave for which creditable service is desired, (b)  
12 any contribution which the school district would have been required to  
13 make for the portion of the leave for which creditable service is desired  
14 had he or she continued to receive salary at the level received  
15 immediately prior to the leave of absence, and (c) interest on these  
16 combined payments from the date such deductions would have been made to  
17 the date of repayment determined by using the rate of interest for  
18 interest on such purchases of service credit. Such amounts shall be paid  
19 as the board ~~of trustees~~ may direct until September 1, 2024, and as the  
20 retirement board may direct beginning September 1, 2024, through direct  
21 payments to the retirement system or on an installment basis pursuant to  
22 a binding irrevocable payroll deduction authorization between the member  
23 and the school district over a period not to exceed five years from the  
24 date of the termination of his or her leave of absence. Interest on any  
25 delayed payment shall be at the rate of interest for determining interest  
26 on delayed payments by members to the retirement system. Creditable  
27 service may be purchased only in one-tenth-year increments, starting with  
28 the most recent years' salary, and if payments are made on an installment  
29 basis, creditable service will be credited only as payment has been made  
30 to the retirement system to purchase each additional one-tenth-year  
31 increment. Leave of absence shall be construed to include, but not be

1 limited to, sabbaticals, maternity leave, exchange teaching programs,  
2 full-time leave as an elected official of a professional association or  
3 collective-bargaining unit, or leave of absence to pursue further  
4 education or study. A leave of absence granted pursuant to this section  
5 shall not exceed four years in length, and in order to receive credit for  
6 the leave of absence, the member must have returned to employment with  
7 the school district within one year after termination of the leave of  
8 absence.

9 (3) Until one year after May 2, 2001, any member currently employed  
10 by the school district who resigned from full-time employment with the  
11 school district for maternity purposes prior to September 1, 1979, and  
12 was reemployed as a full-time employee by the school district before the  
13 end of the school year following the school year of such member's  
14 resignation may have such absence treated as though the absence was a  
15 leave of absence described in subsection (2) of this section. The period  
16 of such absence for maternity purposes shall be included in creditable  
17 service when determining the member's eligibility for death, disability,  
18 termination, and retirement benefits if the member submits satisfactory  
19 proof to the board of education that the prior resignation was for  
20 maternity purposes and the member complies with the payment provisions of  
21 subsection (2) of this section before the one-year anniversary of May 2,  
22 2001.

23 Sec. 25. Section 79-991, Revised Statutes Cumulative Supplement,  
24 2020, is amended to read:

25 79-991 (1) An employee who becomes a member without prior service  
26 credit may purchase prior service credit, not to exceed the lesser of ten  
27 years or the member's years of membership service, for the period of  
28 service the member was employed by a school district or by an educational  
29 service unit and which is not used in the calculation of any retirement  
30 or disability benefit having been paid, being paid, or payable in the  
31 future to such member under any defined benefit retirement system or

1 program maintained by such other school district or educational service  
2 unit. The purchase of prior service credit shall be made in accordance  
3 with and subject to the following requirements:

4 (a) A member who desires to purchase prior service credit shall make  
5 written application to the administrator of the retirement system that  
6 includes all information and documentation determined by the  
7 administrator as necessary to verify the member's prior service and  
8 qualification to purchase the prior service credit. Such application  
9 shall include the member's written authorization for the administrator to  
10 request and receive from any of the member's former employers  
11 verification of the member's prior service, salary, and other information  
12 for determining the member's eligibility to purchase prior service  
13 credit. Before prior service credit may be purchased, the administrator  
14 shall have received verification of the member's salary in each year with  
15 the other school district or educational service unit and confirmation  
16 that the prior service to be purchased by the member is not also credited  
17 in the calculation of a retirement or disability benefit for such member  
18 under another defined benefit retirement system or program. The member's  
19 application to purchase prior service credit may be made at any time  
20 before the fifth anniversary of the member's membership in the retirement  
21 system or, if earlier, the member's termination of employment with the  
22 school district;

23 (b) The member shall pay to the retirement system the total amount  
24 he or she would have contributed to the retirement system had he or she  
25 been a member of the retirement system during the period for which prior  
26 service is being purchased, together with interest thereon as determined  
27 using the rate of interest for the purchase of prior service credit. Such  
28 payment shall be based on the most recent years' salary the member earned  
29 in another school district or educational service unit if the salary is  
30 verified by the other school district or educational service unit or, if  
31 not, the payment shall be based on the member's annual salary at the time

1 he or she became a member;

2 (c) Payments by the member for the purchase of the prior service  
3 credit shall be paid as the board of ~~trustees~~ may direct until September  
4 1, 2024, and as the retirement board may direct beginning September 1,  
5 2024, through direct payments to the retirement system or on an  
6 installment basis pursuant to a binding irrevocable payroll deduction  
7 authorization between the member and the school district over a period  
8 not to exceed five years from the date of membership. Interest on delayed  
9 payments shall be at the rate of interest for determining interest on  
10 delayed payments by members to the retirement system. In the event the  
11 member terminates employment with the school district for any reason  
12 before full payment for the prior service has been made, the remaining  
13 installments shall be immediately due and payable to the retirement  
14 system. Prior service credit may be purchased only in one-tenth-year  
15 increments, and if payments are made on an installment basis, the prior  
16 service will be credited only as payment has been made to the retirement  
17 system. If the prior service to be purchased by the member exceeds the  
18 member's membership service at the time of application or any subsequent  
19 date, such excess prior service shall be credited to the member only as  
20 the member completes and is credited additional membership service, in  
21 one-tenth-year increments, notwithstanding the member's payment for such  
22 prior service credit. If the member retires or terminates employment  
23 before completing sufficient membership service to permit all of the  
24 excess prior service that has been purchased by the member to be credited  
25 to such member, the retirement system shall refund to the member, or to  
26 the member's beneficiary if the member's termination is due to his or her  
27 death, the payments that have been made to the retirement system for such  
28 uncredited prior service, together with regular interest on such refund;  
29 and

30 (d) The school district shall contribute to the retirement system an  
31 amount equal to the amount paid by each member for the purchase of prior

1 service credit at the time such payments are made by such member.

2 (2) Any employee who became a member before July 1, 2014, and who  
3 has five or more years of creditable service and any employee who became  
4 a member for the first time on or after July 1, 2014, and who has ten or  
5 more years of creditable service, excluding in either case years of prior  
6 service acquired pursuant to section 79-990, 79-994, 79-995, or 79-997,  
7 or subsection (1) of this section, may elect to purchase up to a total of  
8 five years of additional creditable service under the retirement system,  
9 and upon such purchase the member shall be given the same status as  
10 though he or she had been a member of the retirement system for such  
11 additional number of years, except as otherwise specifically provided in  
12 the Class V School Employees Retirement Act. Creditable service may be  
13 purchased only in one-tenth-year increments. The amount to be paid to the  
14 retirement system for such creditable service shall be equal to the  
15 actuarial cost to the retirement system of the increased benefits  
16 attributable to such additional creditable service as determined by the  
17 retirement system's actuary at the time of the purchase pursuant to  
18 actuarial assumptions and methods adopted by the board until September 1,  
19 2024, and as adopted by the retirement board beginning September 1, 2024  
20 ~~of trustees for this purpose.~~ The election to purchase additional  
21 creditable service may be made at any time before the member's  
22 termination of employment, and all payments for the purchase of such  
23 creditable service must be completed within five years after the election  
24 or before the member's termination or retirement, whichever event occurs  
25 first. Payment shall be made as the board ~~of trustees~~ may direct until  
26 September 1, 2024, and as the retirement board may direct beginning  
27 September 1, 2024, through a single payment to the retirement system, on  
28 an installment basis, including payments pursuant to a binding  
29 irrevocable payroll deduction authorization between the member and the  
30 school district, or by such other method approved by the board or the  
31 retirement board, as applicable, ~~of trustees~~ and permitted by law. If

1 payments are made on an installment basis, creditable service will be  
2 credited only as payment has been made to the retirement system to  
3 purchase each additional one-tenth-year increment. Interest shall be  
4 charged on installment payments at the rate of interest for determining  
5 interest on delayed payments by members to the retirement system.

6 Sec. 26. Section 79-992, Revised Statutes Cumulative Supplement,  
7 2020, is amended to read:

8 79-992 (1) A member who has five years or more of creditable  
9 service, excluding years of prior service acquired pursuant to section  
10 79-990, 79-991, 79-994, 79-995, or 79-997, and who terminates his or her  
11 employment may elect to leave his or her contributions in the retirement  
12 system, in which event he or she shall receive a retirement allowance at  
13 normal retirement age based on the annuity earned to the date of such  
14 termination of employment. Such member may elect to receive a retirement  
15 allowance at early retirement age if such member retires at an early  
16 retirement date. Such annuity shall be adjusted in accordance with  
17 section 79-9,100. Upon termination of employment, except on account of  
18 retirement, a member shall be entitled to receive refunds as follows: (a)  
19 An amount equal to the accumulated contributions to the retirement system  
20 by the member; and (b) any contributions made to a previously existing  
21 system which were refundable under the terms of that system. Any member  
22 receiving a refund of contributions shall thereby forfeit and relinquish  
23 all accrued rights in the retirement system including all accumulated  
24 creditable service, except that if any member who has withdrawn his or  
25 her contributions as provided in this section reenters the service of the  
26 district and again becomes a member of the retirement system, he or she  
27 may restore any or all money previously received by him or her as a  
28 refund, including the interest on the amount of the restored refund for  
29 the period of his or her absence from the district's service as  
30 determined using the interest rate for interest on such restored refunds,  
31 and he or she shall then again receive credit for that portion of service

1 which the restored money represents. Such restoration may be made as the  
2 board of trustees may direct until September 1, 2024, and as the  
3 retirement board may direct beginning September 1, 2024, through direct  
4 payments to the system or on an installment basis pursuant to a binding  
5 irrevocable payroll deduction authorized between the member and the  
6 school district over a period of not to exceed five years from the date  
7 of reemployment. Interest on delayed payments shall be at the rate of  
8 interest for determining interest on delayed payments by members to the  
9 retirement system. Creditable service may be purchased only in one-tenth-  
10 year increments, starting with the most recent years' salary.

11 (2) Except as provided in section 79-992.01:

12 (a) A retired member who returns to employment as an employee of the  
13 school district shall again participate in the retirement system as a new  
14 member and shall make contributions to the retirement system commencing  
15 upon reemployment. The retirement annuity of a retired member who returns  
16 to employment with the school district shall continue to be paid by the  
17 retirement system. A retired member who returns to employment as an  
18 employee of the school district shall receive creditable service only for  
19 service performed after his or her return to employment and in no event  
20 shall creditable service which accrues or the compensation paid to the  
21 member after such return to employment after retirement increase the  
22 amount of the member's original retirement annuity; and

23 (b) Upon termination of employment of the reemployed member, the  
24 member shall receive in addition to the retirement annuity which  
25 commenced at the time of the previous retirement (i) if the member has  
26 accrued five years or more of creditable service after his or her return

11 beneficiary (before any cost-of-living adjustments under this section),  
12 is adjusted by the increase in the cost of living or wage levels between  
13 the commencement date of the annuity and June 30, 1995.

14           (7) In addition to the cost-of-living adjustments provided in

28 prior to July 1, 2013, a cost-of-living adjustment shall be made for any  
29 annuity being paid pursuant to the act, or pursuant to the provisions of  
30 the retirement system established by statute for employees of Class V  
31 school districts in effect prior to September 1, 1951, and on which the

1 first payment was dated on or before October 3 preceding such January 1  
2 adjustment date. The cost-of-living adjustment for any such annuity shall  
3 be the lesser of (a) one and one-half percent or (b) the increase in the  
4 consumer price index from the date such annuity first became payable  
5 through the August 31 preceding the January 1 adjustment date as reduced  
6 by the aggregate cost-of-living adjustments previously made to the  
7 annuity pursuant to this section.

8 (9) Beginning January 1, 2014, and on January 1 of every year  
9 thereafter, for employees of Class V school districts who became members  
10 on or after July 1, 2013, a cost-of-living adjustment shall be made for

12 was dated on or before October 3 preceding such January 1 adjustment  
13 date. The cost-of-living adjustment for any such annuity shall be the

18 section.

19 (10) Beginning September 1, 1999, the actuary shall make an annual  
20 valuation of the assets and liabilities of the system. If the annual  
21 valuation made by the actuary, as approved by the board of trustees,  
22 indicates that the system has sufficient actuarial surplus to provide for  
23 a cost-of-living adjustment in addition to the adjustment made pursuant  
24 to subsection (8) or (9) of this section, the board of trustees may, in  
25 its discretion, declare by resolution that each annuity being paid  
26 pursuant to the act, or pursuant to the provisions of the retirement  
27 system established by statute for employees of Class V school districts  
28 in effect prior to September 1, 1951, and on which the first payment was  
29 dated on or before October 3 of the year such resolution is adopted,  
30 shall be increased beginning as of the January 1 following the date of  
31 the board of trustees' resolution by such percentage as may be declared

1 by the board of trustees, except that such increase for any such annuity  
2 shall not exceed the increase in the consumer price index from the date  
3 such annuity first became payable through the applicable valuation date  
4 as reduced by the aggregate cost-of-living adjustments previously made to  
5 the annuity pursuant to this section.

6 (11) Except for the adjustments pursuant to subsection (13) of this  
7 section, the consumer price index to be used for determining any cost-of-  
8 living adjustment under this section shall be the Consumer Price Index -  
9 All Urban Consumers, as published by the Bureau of Labor Statistics of  
10 the United States Department of Labor. If this consumer price index is  
11 discontinued or replaced, a substitute index published by the United  
12 States Department of Labor shall be selected by the board if before  
13 September 1, 2024, or by the retirement board if on or after September 1,  
14 2024. Any substitute index selected ~~of trustees, which~~ shall be a  
15 reasonable representative measurement of the cost of living for retired  
16 employees. An annuity as increased by any cost-of-living adjustment made  
17 under this section shall be considered the base annuity amount for the  
18 purpose of future adjustments pursuant to this section. In no event shall  
19 any cost-of-living adjustment be deemed to affect or increase the amount  
20 of the base retirement annuity of a member as determined under section  
21 79-999 or 79-9,100.

22 (12) Any decision or determination by the board or retirement board,  
23 as applicable, ~~of trustees~~ (a) to declare or not declare a cost-of-living  
24 adjustment, (b) as to whether the annual valuation indicates a sufficient  
25 actuarial surplus to provide for a cost-of-living adjustment, or (c)  
26 pursuant to the selection of a substitute index shall be made in the  
27 sole, absolute, and final discretion of the board or retirement board, as  
28 applicable, ~~of trustees~~ and shall not be subject to challenge by any  
29 member or beneficiary. In no event shall the Legislature be constrained  
30 or limited in amending the system or increasing the benefits of members  
31 under the system, nor shall the board or retirement board, as applicable,

1 ~~of education or board of trustees~~ be constrained from supporting any such  
2 change to the system, notwithstanding the effect of any such change upon  
3 the actuarial surplus of the system and the ability of the board or  
4 retirement board, as applicable, ~~of trustees~~ to declare future cost-of-  
5 living adjustments.

6 (13) The Legislature finds and declares that there exists in this  
7 state a pressing need to attract and retain qualified and dedicated  
8 public school employees and that one of the factors prospective public  
9 school employees consider when seeking or continuing public school  
10 employment is the retirement system and benefits the employment provides.  
11 The Legislature further finds that over the past decades, as reflected by  
12 the Medical Price Index published by the United States Department of  
13 Labor, the cost of medical care, including the cost of medications and  
14 insurance coverages, has increased at a rate in excess of that by which  
15 the Consumer Price Index - All Urban Consumers has increased. The  
16 Legislature further finds and declares that there accordingly exists a  
17 need to adjust the amount of retirement benefits paid to retired public  
18 school employees in order to assist them in meeting the increased cost of  
19 medical care. Therefor, in addition to the cost-of-living adjustments  
20 provided in subsections (1) through (12) of this section, commencing on  
21 October 3, 2001, and on October 3 of every year thereafter, a medical  
22 cost-of-living adjustment shall be paid to any annuitant who became a  
23 member prior to July 1, 2016, and has been paid an annuity from the  
24 retirement system for at least ten years through the October 3 adjustment  
25 date. The cost-of-living adjustment shall be paid in the form of a  
26 supplemental annuity providing monthly payments equal to the amount which  
27 results when (a) the fraction, not to exceed one, that results when the  
28 annuitant's years of creditable service at his or her retirement date is  
29 divided by twenty, is multiplied by (b) the product of ten dollars times  
30 the number of years, including attained one-half years, that such  
31 annuitant has received annuity payments from the retirement system

1 through the October 3 adjustment date. The supplemental annuity being  
2 paid to an annuitant shall increase by ten dollars on October 3 of each  
3 subsequent year to reflect the additional year of annuity payments to the  
4 annuitant until the total amount of the supplemental annuity is two  
5 hundred fifty dollars. In no event shall the medical cost-of-living  
6 adjustment for any annuitant pursuant to this subsection result in the  
7 payment of a supplemental annuity exceeding two hundred fifty dollars per  
8 month. The supplemental annuity paid to an annuitant pursuant to this  
9 subsection shall cease at the death of the annuitant regardless of the  
10 form of retirement annuity being paid to the annuitant at the time of his  
11 or her death.

12 Sec. 32. Section 79-9,105, Revised Statutes Cumulative Supplement,  
13 2020, is amended to read:

14 79-9,105 (1) Any member with five or more years of creditable  
15 service, excluding years of prior service acquired pursuant to section  
16 79-990, 79-991, 79-994, 79-995, or 79-997, who becomes totally disabled  
17 for further performance of duty on or after March 22, 2000, may be  
18 approved for deferred disability retirement by the board until September  
19 1, 2024, and by the retirement board beginning September 1, 2024 ~~of~~  
20 ~~trustees~~. In the case of such deferred disability retirement, the member,  
21 during the period specified in subsection (3) of this section, shall be  
22 credited with creditable service for each year or portion thereof, to be  
23 determined in accordance with policies of the board or retirement board,  
24 as applicable, ~~of trustees~~ governing creditable service, that the member  
25 defers retirement, up to a maximum of thirty-five years of total  
26 creditable service, including creditable service accrued before the  
27 member became totally disabled. The member approved for deferred  
28 disability retirement may at any time of the member's choosing request  
29 the deferral to end and retirement annuity payments to begin. The  
30 retirement annuity of such member shall be based on the total number of  
31 years of the member's creditable service, including the years credited to

1 the member during his or her total disability under this section, and the  
2 member's final average salary as of the date that the member became  
3 totally disabled and as adjusted from such date by a percentage equal to  
4 the cumulative percentage cost-of-living adjustments that were made or  
5 declared for annuities in pay status pursuant to section 79-9,103 after  
6 the date of the approval of the board or retirement board, as applicable,  
7 ~~of trustees~~ for deferred disability retirement and before the cessation  
8 of the accrual of additional creditable service pursuant to subsection  
9 (3) of this section. Except as provided in subsection (4) of this  
10 section, the retirement annuity so determined for the member shall be  
11 payable to the member without reduction due to any early commencement of  
12 benefits, except that the retirement annuity shall be reduced by the  
13 amount of any periodic payments to such employee as workers' compensation  
14 benefits. Additional creditable service acquired through deferred  
15 disability retirement shall apply to the service requirements specified  
16 in section 79-9,106. The board or retirement board, as applicable, ~~of~~  
17 ~~trustees~~ shall consider a member to be totally disabled when it has  
18 received an application by the member and a statement by at least two  
19 licensed and practicing physicians designated by the board or retirement  
20 board, as applicable, ~~of trustees~~ certifying that the member is totally  
21 and presumably permanently disabled and unable to perform his or her  
22 duties as a consequence thereof.

23 (2) Notwithstanding the provisions of subsection (1) of this  
24 section, the payment of the retirement annuity of a member may not be  
25 deferred later than the member's required beginning date as defined in  
26 section 401(a)(9) of the Internal Revenue Code, as defined in section  
27 49-801.01. If the payment of a disabled member's retirement annuity is  
28 required to commence before the member has elected to end his or her  
29 deferred disability retirement, the amount of benefit that would have  
30 accrued pursuant to subsection (1) of this section in the fiscal year of  
31 the member's required beginning date, and in each subsequent fiscal year

1 through the year of the member's election to end the deferred disability  
2 retirement period, shall be reduced, but not below zero, by the actuarial  
3 equivalent of the payments which were paid to the member during each such  
4 fiscal year and after the member's required beginning date. The  
5 retirement annuity of any member that commences before the end of the  
6 member's deferred disability retirement shall be adjusted as of each  
7 September 1 pursuant to the requirements of this subsection.

8 (3) The accrual of creditable service and any adjustment of final  
9 average salary provided in subsection (1) of this section shall begin  
10 from the first day of the month following the date of the first of the  
11 two examinations by which the member is determined by the board or the  
12 retirement board, as applicable, of trustees to be totally disabled,  
13 shall continue only so long as the member does not receive any wages or  
14 compensation for services, and shall end at the earlier of (a) the time  
15 total disability ceases as determined by the board or the retirement  
16 board, as applicable, of trustees or (b) the date the member elects to  
17 end the deferred disability retirement and begin to receive his or her  
18 retirement annuity. The board or the retirement board, as applicable, of  
19 trustees may require periodic proof of disability but not more frequently  
20 than semiannually.

21 (4)(a) For an employee hired prior to July 1, 2018, the payment of  
22 any retirement annuity to a disabled member, which begins to be paid  
23 under this section (i) before the member's sixty-second birthday or (ii)  
24 at a time before the sum of the member's attained age and creditable  
25 service is eighty-five or more, shall be suspended if the board or the  
26 retirement board, as applicable, of trustees determines at any time  
27 before the member's sixty-second birthday that the member's total  
28 disability has ceased.

29 (b) For an employee hired on or after July 1, 2018, the payment of  
30 any retirement annuity to a disabled member, which begins to be paid  
31 under this section (i) before the member's sixty-fifth birthday or (ii)

1 at a time before the sum of the member's attained age and creditable  
2 service is eighty-five or more, shall be suspended if the board or the  
3 retirement board, as applicable, ~~of trustees~~ determines at any time  
4 before the member's sixty-fifth birthday that the member's total  
5 disability has ceased.

6 (c) Payment of the retirement annuity of such member as determined  
7 under this section shall recommence at the member's early retirement date  
8 or normal retirement date but shall be subject to reduction at such time  
9 as specified in section 79-9,100.

10 Sec. 33. Section 79-9,107, Revised Statutes Cumulative Supplement,  
11 2020, is amended to read:

25 the state investment officer nor any trustee, member of the board of  
26 education, member of the retirement board, nor member of the council

31 2020, is amended to read:
