Introducer's Statement of Intent

LB303

Date of Hearing: February 04, 2021

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB303 allows governmental units to exempt these services from currently restricted funds in their budgeting process by adding restricted funds for these public safety services to the list of funds not included in local government units' year-to-year budget limitations set by current state law.
