

**One Hundred Seventh Legislature - First Session - 2021**

**Introducer's Statement of Intent**

**LB403**

---

**Chairperson: Senator Steve Lathrop**

**Committee: Judiciary**

**Date of Hearing: February 04, 2021**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 403 removes a possible cloud on the title of a deed containing a reserved life estate as a result of Medicaid recover provisions.

LB 403 does not affect the amount that can be recovered by Medicaid but rather limits the time that the Department of Health and Human Services can take action against a life estate interest so as not to unreasonably restrict the transfer of the property after the death of the life tenant.
