

One Hundred Seventh Legislature - Second Session - 2022

Introducer's Statement of Intent

LB760

Chairperson: Senator John Stinner

Committee: Appropriations

Date of Hearing: February 23, 2022

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

The purpose of LB 760 is to appropriate \$5 million from the American Rescue Plan Act to provide grants to licensed emergency medical services programs for the one-time purchase of equipment, including, but not limited to, ambulances, power cots, defibrillators, and other similar lifesaving equipment. The grants would give priority to an emergency medical services program that (1) is volunteer-based, (2) is located in a community with a population of fewer than one hundred thousand inhabitants and (3) has high needs.
