Re: Data Related to the Sumer Food Service Program Expansion Grant

LB1090 Summer Food Expansion Grant		
Number of Sponsors	Number of Sites	Number of Children Served
1	1	108

Fairbury Public School was awarded \$4,314.78 in SFSP Expansion Grant funding to support advertising and program outreach efforts and the purchase of equipment for meal service. The grant funds fully supported local newspaper advertising of meal service and enrichment activities offered at the school. The funds were also used to purchase a new milk cooler that will continue to be used in both the Summer Food Service Program and the National School Lunch and Breakfast Programs.
