Dear Senator Clements:

As required by Neb. Rev. Stat. 13-1210, the enclosed Public Transportation Assistance Program Report is submitted by the Nebraska Department of Transportation. The report details the state funds requested by each applicant for eligible operating costs in fiscal year 2023. The report is separated into three categories which are rural, urban fixed route and urban other. The rural systems provide public transportation in rural Nebraska. StarTran in Lincoln and Metro in Omaha provide public fixed route transportation in the urban areas. Small urban entities provide both public and specialized transportation services.

Sincerely,
