Any Fiscal Notes received from state agencies and political subdivisions are attached following the Legislative Fiscal Analyst Estimate.

AM2449 amends LB844 by adding requirements to send copies to seed corn producers via registered mail, beginning in 2026. No basis to disagree that the administrative impact of the bill can be accommodated with the agency's current appropriation.

Explanation of Estimate:

AM2449 adds a requirement for the department to send a copy of the most recent directory to seed corn producers via registered mail. The department estimates a total of approximately ten seed corn producers in the state who contract for roguing and detasseling labor. The costs associated with registered mail can be absorbed in the current budget so there would be no fiscal impact.
