

One Hundred Eighth Legislature - First Session - 2023

Introducer's Statement of Intent

LB202

Chairperson: Senator Ben Hansen

Committee: Health and Human Services

Date of Hearing: January 26, 2023

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 202 would allow a pharmacy technician, supervised by a pharmacist, to administer vaccinations in Nebraska. Prior to administration by a pharmacy technician, vaccinations would be reviewed and verified by a pharmacist. A pharmacy technician would be limited to administering a vaccination to patients three years of age and older, and only in the deltoid muscle of the arm.

LB 202 would require the pharmacy technician to hold a current certificate in basic life support, be certified and trained to administer vaccinations, and the supervising pharmacist would be required to be on-site.
