

AMENDMENTS TO LB20

Introduced by Cavanaugh, J., 9.

1           1. On page 3, line 2, strike "recovering" and insert "establishing  
2 the rates or fees necessary to fully cover"; and after line 3 insert the  
3 following new subsection:

4           "(3) An owner-generator shall notify the local distribution utility  
5 of such owner-generator's intent to install an agricultural self-  
6 generation facility.".
