Enrollment Option Rejection Report

I. Introduction

- Pursuant to Neb. Rev. Stat. §79-239, school districts are required to report to the Nebraska Department of Education (NDE) Commissioner of Education, certain information regarding management of the enrollment option program. The NDE Commissioner of Education is required to report such information to the Legislature by September 1.

II. Background

- The enrollment option program enables kindergarten through twelfth grade Nebraska students to attend a school in a Nebraska public school district in which the student does not reside subject to certain limitations.
- LB 705 (2023) established the requirement that a report containing enrollment option information be submitted annually, beginning September 1, 2024.

III. Data (*or Results*)

- Beginning July 1 through August 15, school districts submit data required by Neb. Rev. Stat. §79-239 into the NDE portal.
- Data reported is for applications school districts received between June 1, 2025, and May 31, 2026.
- The data is assembled in the attached *Nebraska Department of Education 2025/26 District Enrollment Option Rejection Report (Report)*, which is a summary of applications received, rejected, and the reasons for rejection by each school district.

V. Conclusions or Recommendations

- None to report

VI. Appendices or Attachments
