Re: *Energy Statistics*

The Nebraska Department of Water, Energy, and Environment is pleased to provide the website address for the statistical handbook entitled *Energy Statistics*. The statistical handbook represents the collection, compilation, and analysis of energy statistics and information as required under Neb. Rev. Stat. §81-1606. The statistical handbook is available at <https://dee.nebraska.gov/state-energy-information/energy-statistics>.

If you have any questions, please contact Doris Jansky, Statistical Analyst, at 402-471-3538 or doris.jansky@nebraska.gov.
