23 ~~for the office at an election in which five hundred or less total votes~~
24 ~~were cast, then such candidate shall be entitled to a recount.~~

25 (2) Any losing candidate may waive his or her right to a recount by
26 filing a written statement with the Secretary of State, election
27 commissioner, or county clerk with whom he or she made his or her filing.
28 All expenses of a recount under this section shall be paid by those
29 political subdivisions involved in the recount.

30 (3) {2} Recounts shall be made by the county canvassing board which
31 officiated in making the official county canvass of the election returns.

1 If any member of the county canvassing board cannot participate in the
2 recount, another person shall be appointed by the election commissioner
3 or county clerk to take the member's place.

4 (4) ~~(3)~~ Recounts for candidates who filed with the Secretary of
5 State shall be made on the fifth Wednesday after the election and shall
6 commence at 9 a.m. The Secretary of State shall inform each election
7 commissioner or county clerk of the names of the candidates for which the
8 board of state canvassers deems a recount to be necessary.

9 (5) ~~(4)~~ The election commissioner or county clerk shall be
10 responsible for recounting the ballots for those candidates for whom the
11 county canvassing board deems a recount to be necessary. The recount
12 shall be made as soon as possible after the adjournment of the county
13 canvassing board, except that if a recount is required under subsection
14 (4) ~~(3)~~ of this section, the recounts may be conducted concurrently.

15 (6) ~~(5)~~ The Secretary of State, election commissioner, or county
16 clerk shall notify all candidates whose ballots will be recounted of the
17 time, date, and place of the recount. Candidates whose ballots will be
18 recounted may be present or be represented by an agent appointed by the
19 candidate.

20 (7) ~~(6)~~ The procedures for the recounting of ballots shall be the
21 same as those used for the counting of ballots on election day. The
22 recount shall be conducted at the county courthouse, except that if vote
23 counting devices are used for the counting or recounting, such counting
24 or recounting may be accomplished at the site of the devices. Counties
25 counting ballots by using a vote counting device shall first recount the
26 ballots by use of the device. If substantial changes are found, the
27 ballots shall then be counted using such device in any precinct which
28 might reflect a substantial change.

29 **Sec. 75.** Section 32-1122, Reissue Revised Statutes of Nebraska, is
30 amended to read:

31 32-1122 (1) If a recount after a primary election results in any two

1 or more persons having an equal and the highest number of votes for the
2 same nomination for the same county, city, village, or school district
3 office, the county canvassing board shall, in the presence of the
4 candidates or their representatives, determine by lot which of the
5 candidates shall be nominated. The election commissioner or county clerk
6 shall notify such candidates by certified mail to appear at his or her
7 office on a given day and hour to determine the same before the county
8 canvassing board. If a candidate or candidate's representative fails to
9 appear at the given day and hour, a person designated by the election
10 commissioner or county clerk shall participate in the candidate's stead.
11 The election commissioner or county clerk shall make a certificate of
12 nomination for the person so nominated and shall cause such certificate
13 to be delivered to the person entitled thereto.

14 (2) If a recount after a general or special election results in any
15 two or more persons having an equal and the highest number of votes for
16 the same county, city, village, or school district office, the county
17 canvassing board shall, in the presence of the candidates or their
18 representatives, determine by lot which of the candidates shall be
19 elected. The election commissioner or county clerk shall notify such
20 candidates by certified mail to appear at his or her office on a given
21 day and hour to determine the same before the county canvassing board. If
22 a candidate or candidate's representative fails to appear at the given
23 day and hour, a person designated by the election commissioner or county
24 clerk shall participate in the candidate's stead. The election
25 commissioner or county clerk shall make a certificate of election for the
26 person so elected and shall cause such certificate to be delivered to the
27 person entitled thereto.

28 (3) If a recount after a primary election results in any two or more
29 persons having an equal and the highest number of votes for nomination to
30 an office canvassed by the board of state canvassers, the board shall
31 decide by lot which of such persons is nominated.

1 (4) If a recount after a general or special election results in any
2 two or more persons having an equal and the highest number of votes for
3 the office of the Governor, Secretary of State, Auditor of Public
4 Accounts, State Treasurer, Attorney General, or other officer elected to
5 an executive department, the Legislature shall choose one of such persons
6 for the office. If the office involved in the recount is the office of
7 the Governor, the Lieutenant Governor shall be the candidate for
8 Lieutenant Governor chosen by the person selected by the Legislature as
9 Governor.

10 (5) If a recount after a general or special election results in any
11 two or more persons having an equal and the highest number of votes for
12 an office canvassed by the board of state canvassers, the board shall
13 decide by lot which of such persons is elected, except officers elected
14 to the executive department.

15 **Sec. 76.** Section 32-1404, Reissue Revised Statutes of Nebraska, is
16 amended to read:

17 32-1404 Initiative and referendum petition signers shall conform to
18 the requirements of sections 32-629 and 32-630. ~~A signer of an initiative~~
19 ~~and referendum petition shall be a registered voter of the State of~~
20 ~~Nebraska on or before the date on which the petition is required to be~~
21 ~~filed with the Secretary of State and shall meet the requirements of~~
22 ~~section 32-630. A person who circulates initiative and referendum~~
23 ~~petitions shall comply with the requirements of section 32-629 and~~
24 ~~subsection (2) of section 32-630 and with the prohibitions contained in~~
25 ~~subdivisions (3)(a), (d), and (f) of section 32-630.~~

26 **Sec. 77.** Section 32-1409, Revised Statutes Cumulative Supplement,
27 2024, is amended to read:

28 32-1409 (1) Upon the receipt of the petitions, the Secretary of
29 State, with the aid and assistance of the election commissioner or county
30 clerk, shall determine the validity and sufficiency of signatures on the
31 pages of the filed petition. The various pages of the filed petition may

1 remain in the office of the Secretary of State. The Secretary of State
2 shall deliver the various pages or copies of the various pages of the
3 filed petition to the election commissioner or county clerk by hand
4 carrier, by use of law enforcement officials, ~~or~~ by certified mail,
5 return receipt requested, or by a secure method designated by the
6 Secretary of State. Upon receipt of the pages of the petition, the
7 election commissioner or county clerk shall issue to the Secretary of
8 State a written receipt that the pages of the petition are in the custody
9 of the election commissioner or county clerk. The election commissioner
10 or county clerk shall determine if each signer was a registered voter on
11 or before the date on which the petition was required to be filed with
12 the Secretary of State. The election commissioner or county clerk shall
13 compare the signer's signature, printed name, date of birth, street name
14 and number or voting precinct, and city, village, or post office address
15 with the voter registration records to determine whether the signer was a
16 registered voter. The determination of the election commissioner or
17 county clerk may be rebutted by any credible evidence which the election
18 commissioner or county clerk finds sufficient. The express purpose of the
19 comparison of names and addresses with the voter registration records, in
20 addition to helping to determine the validity of such petition, the
21 sufficiency of such petition, and the qualifications of the signer, shall
22 be to prevent fraud, deception, and misrepresentation in the petition
23 process. If the Secretary of State receives reports from a sufficient
24 number of the counties that signatures in excess of one hundred ten
25 percent of the number necessary to place the issue on the ballot have
26 been verified, the Secretary of State may instruct the election
27 commissioners and county clerks in all counties to stop verifying
28 signatures and certify the number of signatures verified as of receipt of
29 the instruction from the Secretary of State.

30 (2) Upon completion of the determination of registration, the
31 election commissioner or county clerk shall prepare in writing a

1 certification under seal setting forth the name and address of each
2 signer found not to be a registered voter and the petition page number
3 and line number where the name is found, and if the reason for the
4 invalidity of the signature or address is other than the nonregistration
5 of the signer, the election commissioner or county clerk shall set forth
6 the reason for the invalidity of the signature. If the election
7 commissioner or county clerk determines that a signer has affixed his or
8 her signature more than once to any page or pages of the petition and
9 that only one person is registered by that name, the election
10 commissioner or county clerk shall prepare in writing a certification
11 under seal setting forth the name of the duplicate signature and shall
12 count only the first verified ~~earliest dated~~ signature. The election
13 commissioner or county clerk shall deliver all pages of the petition and
14 the certifications to the Secretary of State within forty days after the
15 receipt of such pages or copies of such pages from the Secretary of
16 State. The delivery shall be by hand carrier, by use of law enforcement
17 officials, or by ~~certified mail~~ , return receipt requested. The Secretary
18 of State may grant to the election commissioner or county clerk an
19 additional ten days to deliver ~~return~~ all certifications and pages of the
20 petition in extraordinary circumstances.

21 (3) Upon receipt of the pages of the petition, the Secretary of
22 State shall issue a written receipt indicating the number of pages of the
23 petition that are in his or her custody. ~~When all the petitions and~~
24 ~~certifications have been received by the Secretary of State, he or she~~
25 ~~shall strike from the pages of the petition all but the earliest dated~~
26 ~~signature of any duplicate signatures and such stricken signatures shall~~
27 ~~not be added to the total number of valid signatures.~~ Not more than
28 twenty signatures on one sheet shall be counted. All signatures secured
29 in a manner contrary to sections 32-1401 to 32-1416 shall not be counted.
30 Clerical and technical errors in a petition shall be disregarded if the
31 forms prescribed in sections 32-1401 to 32-1403 are substantially

1 followed. The Secretary of State shall total the valid signatures and
2 determine if constitutional and statutory requirements have been met. The
3 Secretary of State shall immediately serve a copy of such determination
4 by the most expeditious method available ~~certified or registered mail~~
5 upon the person filing the initiative or referendum petition. If the
6 petition is found to be valid and sufficient, the Secretary of State
7 shall proceed to place the measure on the general election ballot.

8 (4) The Secretary of State may adopt and promulgate rules and
9 regulations for the issuance of all necessary forms and procedural
10 instructions to carry out this section.

11 **Sec. 78.** Section 32-1525, Revised Statutes Cumulative Supplement,
12 2024, is amended to read:

13 32-1525 (1) No person shall conduct an exit poll, a public opinion
14 poll, or any other interview with voters on election day seeking to
15 determine voter preference within twenty feet of the entrance of any
16 polling place or, if inside the polling place or building, within one
17 hundred feet of any voting booth.

18 (2)(a) No poll watcher shall interfere with any voter in the
19 preparation or casting of such voter's ballot or prevent any election
20 worker from performing the worker's duties.

21 (b) A poll watcher shall not provide assistance to a voter as
22 described in section 32-918 unless selected by the voter to provide
23 assistance as provided in section 32-918.

24 (c) A poll watcher shall not do any electioneering or disseminate
25 any information or materials advertising or advocating for or against any
26 ballot measure while engaged in observing at a polling place.

27 (d) A poll watcher shall maintain a distance of at least eight feet
28 from the sign-in table, the sign-in register, the polling booths, the
29 ballot box, and any ballots which have not been cast, except that if the
30 polling place is not large enough for a distance of eight feet, the judge
31 of election shall post a notice of the minimum distance the poll watcher

1 must maintain from the sign-in table, the sign-in register, the polling
2 booths, the ballot box, and any ballots which have not been cast. The
3 posted notice shall be clearly visible to the voters and shall be posted
4 prior to the opening of the polls on election day. The minimum distance
5 shall not be determined to exclude a poll watcher from being in the
6 polling place.

7 (3)(a) No counting watcher or observer shall prevent any election
8 worker from performing the worker's duties.

9 (b) A counting watcher or observer shall maintain a distance of at
10 least eight feet from any ballots, ballot boxes, sign-in registers, and
11 vote counting devices, except that if the counting location is not large
12 enough for a distance of eight feet, the election commissioner or county
13 clerk shall post a notice of the minimum distance the counting watcher or
14 observer must maintain from any ballots, ballot boxes, sign-in registers,
15 and vote counting devices. The posted notice should be clearly visible to
16 the counting watcher or observer and shall be posted prior to the
17 counting board convening. The minimum distance shall not be determined to
18 exclude a counting watcher or observer from being in the counting
19 location except as provided in subsection (4) of section 32-1013.

20 (4) {3} Any person violating this section shall be guilty of a Class
21 V misdemeanor.

22 **Sec. 79.** Section 32-1546, Revised Statutes Cumulative Supplement,
23 2024, is amended to read:

24 32-1546 (1) Any person who is not, at the time of signing a
25 petition, a registered voter and qualified to sign the petition except as
26 provided for initiative and referendum petitions in subdivision (1) of
27 section 32-629 ~~32-1404~~ or who signs any name other than his or her own to
28 any petition shall be guilty of a Class I misdemeanor.

29 (2) Any person who falsely swears to a circulator's affidavit on a
30 petition, who accepts money or other things of value for signing a
31 petition, or who offers money or other things of value in exchange for a

1 signature upon any petition shall be guilty of a Class IV felony.

2 (3) Any person who falsifies a letter submitted pursuant to section
3 32-632 or subsection (3) of section 32-1305 or who signs any name other
4 than his or her own to such letter shall be guilty of a Class I
5 misdemeanor.

6 **Sec. 80.** Section 70-1014, Revised Statutes Cumulative Supplement,
7 2024, is amended to read:

8 70-1014 (1) After hearing, the board shall have authority to approve
9 or deny the application. Except as provided in section 70-1014.01 for
10 special generation applications, before approval of an application, the
11 board shall find that:

12 (a) The application will serve the public convenience and necessity,
13 and that the applicant can most economically and feasibly supply the
14 electric service resulting from the proposed construction or acquisition
15 without unnecessary duplication of facilities or operations; and

16 (b)(i) For any proposed electric generation facility that has a
17 generating capacity that is greater than ten megawatts, the applicant has
18 held at least one public meeting with advanced publicized notice in one
19 of the counties in which the proposed facility will be located at which
20 (A) at least fifty percent of the governing body of the electric supplier
21 attends either in person or by videoconference, but with not less than
22 one member of the governing body physically present, (B) the applicant
23 explains the need for the proposed facility and the type of facility, and
24 (C) real property owners in any of the counties in which the proposed
25 facility will be located are provided an opportunity to comment on the
26 proposed facility. The applicant shall provide a report to the board
27 containing the minutes of any such meeting and how many people commented
28 on the proposed facility. Documentation received at any such meeting
29 shall be made available to the board upon its request. A meeting
30 described in this subdivision is not subject to the requirements
31 described in subdivision (2)(b)(iv) ~~(3)(b)(iv)~~ of section 84-1411.

1 (ii) This subdivision (b) shall not apply if the proposed facility
2 will be located on real property owned by the applicant at the time of
3 application.

4 (2) If the application involves a transmission line or related
5 facilities planned and approved by a regional transmission organization
6 and the regional transmission organization has issued a notice to
7 construct or similar notice or order to a utility to construct the line
8 or related facilities, the board shall also consider information from the
9 regional transmission organization's planning process and may consider
10 the benefits to the region, which shall include Nebraska, provided by the
11 proposed line or related facilities as part of the board's process in
12 determining whether to approve or deny the application.

13 (3) A privately developed renewable energy generation facility is
14 exempt from this section if it complies with section 70-1014.02.

15 **Sec. 81.** Section 70-1014.02, Revised Statutes Cumulative Supplement,
16 2024, is amended to read:

17 70-1014.02 (1) The Legislature finds that:

18 (a) Nebraska has the authority as a sovereign state to protect its
19 land, natural resources, and cultural resources for economic and
20 aesthetic purposes for the benefit of its residents and future
21 generations by regulation of energy generation projects;

22 (b) The unique terrain and ecology of the Nebraska Sandhills provide
23 an irreplaceable habitat for millions of migratory birds and other
24 wildlife every year and serve as the home to numerous ranchers and
25 farmers;

26 (c) The grasslands of the Nebraska Sandhills and other natural
27 resources in Nebraska will become increasingly valuable, both
28 economically and strategically, as the demand for food and energy
29 increases; and

30 (d) The Nebraska Sandhills are home to priceless archaeological
31 sites of historical and cultural significance to American Indians.

1 (2)(a) A privately developed renewable energy generation facility
2 that meets the requirements of this section is exempt from sections
3 70-1012 to 70-1014.01 if, no less than thirty days prior to the
4 commencement of construction, the owner of the facility:

5 (i) Notifies the board in writing of its intent to commence
6 construction of a privately developed renewable energy generation
7 facility;

8 (ii) Certifies to the board that the facility will meet the
9 requirements for a privately developed renewable energy generation
10 facility;

11 (iii) Certifies to the board that the private electric supplier will
12 (A) comply with any decommissioning requirements adopted by the local
13 governmental entities having jurisdiction over the privately developed
14 renewable energy generation facility and (B) except as otherwise provided
15 in subdivision (b) of this subsection, submit a decommissioning plan to
16 the board obligating the private electric supplier to bear all costs of
17 decommissioning the privately developed renewable energy generation
18 facility and requiring that the private electric supplier post a security
19 bond or other instrument, no later than the sixth year following
20 commercial operation, securing the costs of decommissioning the facility
21 and provide a copy of the bond or instrument to the board;

22 (iv) Certifies to the board that the private electric supplier has
23 entered into or prior to commencing construction will enter into a joint
24 transmission development agreement pursuant to subdivision (c) of this
25 subsection with the electric supplier owning the transmission facilities
26 of sixty thousand volts or greater to which the privately developed
27 renewable energy generation facility will interconnect;

28 (v) Certifies to the board that the private electric supplier has
29 consulted with the Game and Parks Commission to identify potential
30 measures to avoid, minimize, and mitigate impacts to species identified
31 under subsection (1) or (2) of section 37-806 during the project planning

1 and design phases, if possible, but in no event later than the
2 commencement of construction;

3 (vi) Certifies in writing to the board that the facility, if located
4 within a ten-mile radius of a military installation:

5 (A) Contains no materials, electronics, or other components
6 manufactured by any foreign government or foreign nongovernment person
7 determined to be a foreign adversary pursuant to 15 C.F.R. 7.4; or

8 (B) Is in compliance with the critical infrastructure protection
9 requirements issued by the North American Electric Reliability
10 Corporation if connected to the transmission grid at one hundred
11 kilovolts or higher voltage and has to have a nameplate rating of twenty
12 megavolt amperes for a single generation unit or injecting at an
13 aggregate of seventy-five megavolt amperes or greater. The private
14 electric supplier shall also submit written notice to the board at any
15 time such private electric supplier is no longer in such compliance; and

16 (vii) For a proposed privately developed renewable energy generation
17 facility that has a generating capacity that is greater than ten
18 megawatts, certifies to the board that the private electric supplier has
19 held at least one public meeting with advanced publicized notice in one
20 of the counties in which the proposed facility will be located at which

21 (A) the private electric supplier explains the need for the proposed
22 facility and the type of facility and (B) real property owners in any of
23 the counties in which the proposed facility will be located are provided
24 an opportunity to comment on the proposed facility. The private electric
25 supplier shall provide a report to the board containing the minutes of
26 any such meeting and how many people commented on the proposed facility.
27 Documentation received at any such meeting shall be made available to the
28 board upon its request. A meeting described in this subdivision is not
29 subject to the requirements described in subdivision ~~(2)(b)(iv)~~ ~~(3)(b)~~
30 ~~(iv)~~ of section 84-1411.

31 (b) The board may bring an action in the name of the State of

1 Nebraska for failure to comply with subdivision (a)(iii)(B) of this
2 subsection, except that such subdivision does not apply if a local
3 government entity with the authority to create requirements for
4 decommissioning has enacted decommissioning requirements for the
5 applicable jurisdiction.

6 (c) A joint transmission development agreement shall be entered into
7 to address construction, ownership, operation, and maintenance of such
8 additions or upgrades to the transmission facilities as required for the
9 privately developed renewable energy generation facility. The joint
10 transmission development agreement shall be negotiated and executed
11 contemporaneously with the generator interconnection agreement or other
12 directives of the applicable regional transmission organization with
13 jurisdiction over the addition or upgrade of transmission, upon terms
14 consistent with prudent electric utility practices for the
15 interconnection of renewable generation facilities, the electric
16 supplier's reasonable transmission interconnection requirements, and
17 applicable transmission design and construction standards. The electric
18 supplier shall have the right to purchase and own transmission facilities
19 as set forth in the joint transmission development agreement. The private
20 electric supplier of the privately developed renewable energy generation
21 facility shall have the right to construct any necessary facilities or
22 improvements set forth in the joint transmission development agreement
23 pursuant to the standards set forth in the agreement at the private
24 electric supplier's cost.

25 (3) Within ten days after receipt of a written notice complying with
26 subsection (2) of this section, the executive director of the board shall
27 issue a written acknowledgment that the privately developed renewable
28 energy generation facility is exempt from sections 70-1012 to 70-1014.01
29 if such facility remains in compliance with the requirements of this
30 section.

31 (4) The exemption allowed under this section for a privately

1 developed renewable energy generation facility shall extend to and exempt
2 all private electric suppliers owning any interest in the facility,
3 including any successor private electric supplier which subsequently
4 acquires any interest in the facility.

5 (5) No property owned, used, or operated as part of a privately
6 developed renewable energy generation facility shall be subject to
7 eminent domain by a consumer-owned electric supplier operating in the
8 State of Nebraska. Nothing in this section shall be construed to grant
9 the power of eminent domain to a private electric supplier or limit the
10 rights of any entity to acquire any public, municipal, or utility right-
11 of-way across property owned, used, or operated as part of a privately
12 developed renewable energy generation facility as long as the right-of-
13 way does not prevent the operation of or access to the privately
14 developed renewable energy generation facility.

15 (6) Only a consumer-owned electric supplier operating in the State
16 of Nebraska may exercise eminent domain authority to acquire the land
17 rights necessary for the construction of transmission lines and related
18 facilities. There is a rebuttable presumption that the exercise of
19 eminent domain to provide needed transmission lines and related
20 facilities for a privately developed renewable energy generation facility
21 is a public use.

22 (7) Nothing in this section shall be construed to authorize a
23 private electric supplier to sell or deliver electricity at retail in
24 Nebraska.

25 (8) Nothing in this section shall be construed to limit the
26 authority of or require a consumer-owned electric supplier operating in
27 the State of Nebraska to enter into a joint agreement with a private
28 electric supplier to develop, construct, and jointly own a privately
29 developed renewable energy generation facility.

30 **Sec. 82.** Section 84-1411, Reissue Revised Statutes of Nebraska, is
31 amended to read:
