

ONE HUNDRED NINTH LEGISLATURE

FIRST SESSION

LEGISLATIVE RESOLUTION 101

Introduced by Jacobson, 42; Andersen, 49; Dorn, 30; Guereca, 7; Hallstrom, 1; Hardin, 48; Ibach, 44; McKeon, 41; Storer, 43; Storm, 23; Strommen, 47; DeKay, 40.

WHEREAS, Sustainable Beef, LLC opened a meat processing facility in North Platte, Nebraska, with a ribbon cutting ceremony attended by over a thousand people; and

WHEREAS, Sustainable Beef will help cattle producers grow their businesses and will create long-term growth for the North Platte community; and

WHEREAS, the new facility will provide a local outlet for quality cattle at a premium price and will serve as a driver for new growth in the North Platte region; and

WHEREAS, Sustainable Beef was created to help cattle producers integrate their operations to allow them to achieve a birth to retail outlet concept locally; and

WHEREAS, Sustainable Beef was the result of a determined group of cattle producers who had the vision to carry the project to its conclusion; and

WHEREAS, the four hundred million dollar plant will process about one thousand five hundred cattle per day and will employ about eight hundred fifty workers.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED NINTH LEGISLATURE OF NEBRASKA, FIRST SESSION:

1. That the Legislature congratulates Sustainable Beef, LLC on their successful opening ceremony.
2. That a copy of this resolution be sent to Sustainable Beef.
