

One Hundred Ninth Legislature - First Session - 2025

Introducer's Statement of Intent

LB142

Chairperson: Senator Dave Murman

Committee: Education

Date of Hearing: March 03, 2025

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB142 removes the 1.1 multiplier of the federal Community Eligibility Provision (CEP) for purposes of calculating free lunch and free milk students under the Tax Equity and Educational Opportunities Support Act (TEEOSA). A recent analysis of the CEP multiplier by the Nebraska Department of Education as part of an interim study, LR 419, determined that it was no longer needed for purposes of calculating free lunch and free milk students under TEEOSA.
