

# **One Hundred Ninth Legislature - First Session - 2025**

## **Introducer's Statement of Intent**

### **LB18**

---

**Chairperson: Senator Mike Moser**

**Committee: Transportation and Telecommunications**

**Date of Hearing: February 11, 2025**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB18 requires an authority under the Small Wireless Facilities Deployment Act to determine that an installation in a right-of-way complies with the federal Americans With Disabilities Act, does not obstruct or hinder usual traffic or public safety in such right-of-way, and does not obstruct the legal use of such right-of-way by any utility or impede the safe operation of such utility's system or provision of its service. If an authority determines that the installation does not comply with this criteria, it shall not permit such installation.
